Daly City Record

Daly City—Gateway to The Peninsula One of the Most Rapidly Growing And Developing Cities In Northern California

BLISHED THURSDAY | DALY CITY, SAN MATEO COUNTY, CALIF., THURSDAY, OCTOBER 21, 1948 | VOL. 45, NUMBER 38

ABANDONMENT OF 40 AR LINE MAY INCREASE ISSION STREET TRAFFIC

Construction of a new San Ma- county arterial with express s service and scrapping of the esent number 40 interurban eetcar line was a step nearer mpletion this week after San ancisco's public utilities com- ssion approved abandonment the line. The approval, accord- g to County Executive Freder- k Peterson, is contingent upon n Mateo county's financing nstruction of the highway.

he plan was proposed by Peter- months ago, with the support five peninsula cities and the nty board of supervisors. Pres- number 40 street car tracks n the cemeteries to Burlingame ld be paved and tie in to Mis- street, over San Jose avenue into San Francisco via Bernal levard. Car service to the ceme- area would be handled by the ber 14 line.

Such a move would greatly hance the importance of Mis- n street, from the top of the to Market street, as a main ffic artery. City officials are tching developments to make anges in traffic controls which y be required.

leanwhile, the S. F. utilities mission has suggested fares on number 40 line be raised an rage of five cents for each zone ween Daly City and San Mateo.

uids Will Play ist October 25

lembers of Hillcrest Circle No. United Ancient Order of ids, will hold a whist party at 0 p.m. October 25 in the Ma- ic Hall, 17 Hillcrest drive. o-chairmen of the event are s. Florence Young and Mrs. ia Edinger.

Law Catches Up With Speeder From 'way Back

Old John Law finally caught up with Paul Fisher of San Francisco Friday.

Fisher was cited for speeding in Daly City twice last month. When he failed to appear in court, a warrant was issued through the San Francisco police, and he was brought before Judge William Sweeney.

"I was away on a vacation," explained Fisher.

"You must have gone to South America," remarked Judge Sweeney, inquiring as to why he hadn't paid two other speeding citations, one for November 1945 and the other for February 1946.

Fisher paid a total of $22.50 on the four tickets.

Bethel Players Present Comedy

A football comedy, "Collegiate Night," depicting the trials and tribulations of the sport, will be presented Friday evening, October 22, by the Bethel No. 26 Players, International Order of Job's Daughters, at the Mission Masonic Temple.

The comedy will follow a meeting honoring past queens of the bethel. The meeting is scheduled to begin at 7:30 p.m. Honored Queen Janet Smith will preside.

ORTOLA TREK PUTS ON PAGEANT FOR ARGE CROWD AT HI SCHOOL STADIUM; HOLE TOWN ENJOYS THE CELEBRATION

ortola came to town Saturday, h he and his Trek stopping long ugh in Daly City for a luncheon st, a parade from the city hall the high school football field, to present an hour-long his- ic pageant before approximately thousand watchers at the foot- l field.

celebration which started Fri- night with a street dance at lcrest drive and Mission street ended Saturday night with a tola Ball at the high school au- orium, cheered the Trek on its t stop before ending its 108-day k from San Diego to San Fran- co.

he Trek was late in assembling the city hall and the parade was officially under way until near- p.m. Saturday. Led by a police torcycle escort and a KVSM nd truck, the procession went n Mission street to San Pedro d and followed that street, turn- over on Alemany street and tion avenue to the Jefferson h stadium.

Parade groups included the n Mateo Sheriff's Posse, Sharp rk Mounted Patrol, Rancho Camino Club, San Mateo orseman's Association, Arabian rse Club of California, 20 uni- rmed riders from San Fran- co, garbed in the regalia of ldiers of Portola's day, The ortola Trek itself, led by "Don aspar de Portola," Supervisor ick Kleck of San Luis Obispo, V.F.W. color guard, Catholic hools junior patrol, Jefferson hool district float, Eagles adies' Auxiliary, Italian-Ameri- n Club float, Druids Float, and aly City Volunteer Fire Dept. rucks, with members of the city uncil riding in a lead car pro- ided by the R. L. Stevens com- any.

The committee received lavish anks from the Portola riders for e reception afforded them and pecially for a festive lunch pro- ded in their honor at the New lma cafe. Merchants and com- ittee members in turn expressed eir appreciation to everyone who ok part in the two-day celebra- n.

At the high school auditorium, n Gaspar was officially wel- med by the city council and the rtola Trek then enacted an his- rical pageant which was well- ceived by the on-lookers.

A novel moment came when ather Aiden Colloty, of the anciscan order and a native of aly City, conferred blessings on he Portolans before they em- arked on the last lap of their urney into San Francisco, here still another celebration as in store for them.

At the Saturday night ball held the high school auditorium, a stumed crowd danced the Portola lebration to a close.

Prizes for the best-costumed uple went to Mel Breslin, rigged t as Digger O'Dell, and Mrs. ate Pearlman, in the role of a panish senorita. Ernie Pezzola n the beard competition by sev- al very long whiskers.

Derungs, Pahlka Win Natl. Legion Awards

Two national awards for membership achievement have been won during the past year by local members of the American Legion post, Commander Ralph Capps stated today.

During a drive for new members, John Derungs brought in dues for 59 Legionnaires, Capps said, while Emil Pahlka was responsible for a total of 51.

The American Legion post meets at Legion hall, 474 San Diego avenue on the first and third Thursday, each month.

HOLY ANGELS TO SPONSOR BAZAAR

A Centennial Bazaar will open up the Fall holiday season on Saturday and Sunday, November 6 and 7, at Colombo Hall in Colma. The event is being sponsored by Colma's Holy Angels Church.

With the public both near and far invited to attend, the two day affair is expected to be the most successful bazaar in the history of the famous old Colma church.

Pupils Entertain Moms And Dads For Fathers' Night

A diversified program with students from General Pershing, Thornton, Crocker, Jefferson, and Woodrow Wilson grammar schools, and Jefferson high school, participating, entertained parents at Father's Night Tuesday evening.

Stanford Hannah, superintendent of the high school, gave a welcome address to the parents, particularly the fathers. The band, under the direction of K. Sevens, played several selections.

Girl Scouts from Woodrow Wilson presented the colors at the meeting. Beverly Hamilton, their leader, Darlene Haynes and Arlene Trapp gave the scout promise and motto after which the rest of the troop members marched in with lighted candles and gave the scout laws and the scout songs.

Other girls participating were Rose Eling, Peggy Sorenson, Mary Hall, Betty Gott, Arlene Callan, Marilyn Jones, Roberta Baldetti, Carolyn Cameron, Ann Cheatham, and Phyllis Thur. The latter three girls are Brownies.

Mrs. Lillian Thomey was in charge of the Woodrow Wilson program. Mrs. Katherine Forman was program director for the high school.

Doughnuts and coffee were served to a crowd of approximately 200.

World's Autos on Parade

The main exhibition hall in the Turin Auto Palace is bright and shiny with the latest models as the 31st International Automobile Show opens in the Italian city. It features more than 700 exhibits from Italy, Central Europe and the U. S. The show, which includes custom-built models, sport and luxury cars and buses, is one of the most important in postwar Europe.

'YES' IS BEST FOR DALY CITY

Here are the facts on the question of annexation of the Westlake subdivision to Daly City:

In July of this year, after lengthy negotiations, the city council passed Ordinance 279, in the manner prescribed by law, approving the annexation of 432 acres of contiguous territory west of Daly City, to be included in the city limits.

During the thirty-day waiting period before the ordinance was to become effective, a referendum petition was circulated by a group who claimed that they were not necessarily against annexation, bu who said they believed the matter should be put to a vote of the people.

This was done, and the matter will be voted on by residents of Daly City on the General Election Ballot on Tuesday, November 2.

Entitled "CITY OF DALY CITY PROPOSITION" B, it reads "Shall Ordinance 279, providing for the annexation to the City of Daly City of the property known as "Westlake Annex" be approved?" Voters will vote "Yes" or "No" on the proposition and, in a democratic manner, the will of the majority will prevail.

MAJORITY IN FAVOR

The annexation is supported by four of your five elected representatives on the city council.

It is supported by this newspaper.

Many hundreds of other public-spirited citizens, including former mayors and councilmen, are whole-heartedly in favor of annexation as being in the best interest of Daly City and its people.

Daly City has had six annexations between 1924 and 1948, two of them being completed this year without opposition.

None of these annexations was accomplished under more favorable conditions than the proposed annexation of Westlake. Yet these annexations have resulted in a bigger and a better Daly City.

The annexation of Westlake will also make Daly City a better place in which to live and work. It will be better for your children and it will be better for the city as a whole.

Here is a list of annexations in neighboring cities between 1900 and 1947:

Burlingame	10
Colma	0
Hillsborough	10
Menlo Park	11
Redwood City	13
San Mateo	12
San Bruno	5
San Carlos	4
South San Francisco	7
Palo Alto	13
San Jose	25

It is no strange coincidence that, among the nearby cities listed above, the best and most progressive cities appear to be the ones which have had the most annexations and are classed as better places to live.

Let's make Daly City a better place to live, too.

VOTE YES ON PROPOSITION "B" ON NOVEMBER 2.

LIONS CLUB HEARS DR. BARGER SPEAK

Dr. E. H. Barger of the Borden Company was the guest speaker of the Daly City - Colma Lions Club at their meeting Wednesday. He was introduced by Joe Lewkowitz, program chairman.

Other guests included Norman Corlett, also of Borden's, Clive Saiz of the California Teachers Association, and Grant Williams of Williams' Candies.

Fritz Erickson will have charge of next week's program.

Whist Party Nets $92

The Woodrow Wilson magazine whist, held October 13 at the Masonic Temple, was very successful, according to Mrs. William Hunter, magazine chairman. The group netted $92.30.

OCEAN VIEW CHURCH TO FÊTE "UNITED NATIONS SUNDAY"

The Rev. J. H. Bennett will speak on "God's Will for the Nations" at the 11 a.m. worship hour of the Ocean View Congregational Church October 24 in commemoration of United Nations Sunday. The charter of the United Nations will be read by the congregation. Special choral music will be presented.

Sunday school will begin at 9:45 as usual with classes for all age groups. A nursery will be provided during the worship hour for the children.

A new organ will be installed at the church next week in readiness for the Sunday worship October 31 and the church dinner scheduled for November 5.

The financial canvass for the new church buildings will begin this week. Gifts can be sent directly to the minister, 144 Broad street, San Francisco.

Large Crowd Hears Annexation Facts, Endorses Westlake

More than a hundred citizens, determined to learn the facts in support of the annexation of Westlake subdivision, gathered at Little Italy Hall, opposite the Daly City Theatre, Tuesday night to discuss the proposition and lend their support to the Citizens' "Yes for Annexation" Committee.

The group, comprised of housewives, businessmen and citizens from all walks of life, heard discussion by city officials and met Henry Doelger, who was invited to the meeting to answer questions pertaining to the development.

MANY IN FAVOR

Speakers included Mayor A. J. Gaggero, Councilmen Edward J. Mooney, Fred Bertetta and Paul Green, Water Superintendent A. J. Bodien, Fire Chief Elmer Kennedy, Doelger, ex-Councilman Ed Cavagnero and a number of others.

The group, many of whom had entered the meeting frankly skeptical as a result of political dodgers thrown at their doors by opponents of annexation, unanimously expressed themselves as being in favor of the annexation at the conclusion of the meeting.

OLD-TIMERS FOR

One old-timer, who has lived in Daly City and seen its progress from the date of its incorporation in 1911, declared, "I've lived out here a long time. As a matter of fact, I helped old man Daly drive off the cows so the early settlers could build in Daly City, and I want to express myself as being in favor of the city's growth and progress by annexation of Westlake." He was Peter Schneider, one of the city's pioneer residents.

Spontaneous enthusiasm from the floor resulted in a motion for another meeting to be held in the near future, as soon as a large enough hall can be obtained to accommodate people in favor of annexation. Little Italy Hall is too small for the purpose. The meeting date and place will be announced in the near future.

Another motion, unanimously carried, asked that circulars and other material of fact be distributed to every home-owner, to counteract alleged misleading statements by the few opponents of the annexation. This was referred to a publicity committee and early action is expected.

The audience gave close attention to Doelger, as he spoke and outlined the salient facts of the annexation, which he said was not only eminently fair and just but "a good business proposition for Daly City."

"I have offered to give Daly City free of charge a site for a reservoir," said Doelger. "I have also told your city council that it is my intention to build a Community Center when the first unit of Westlake is completed. This Community Center will have showers, gymnasium equipment, dressing rooms, and a stage suitable for holding community meetings and theatricals.

"I want to assure the people of Daly City that I have no ulterior motive in the annexation proposition, nor are there any sinister influences behind it. We are out in the open on everything we do and say."

San Bruno Man Fined $10 By Judge Sweeney

Found guilty of causing an accident by driving over the double line, Fred C. Sage, 524 Linden avenue, San Bruno, was ordered to pay $10 fine by Judge William Sweeney Friday.

The accident occurred on Junipero Serra and School street September 19. Damage to each car was estimated at $500.

$25000 DAMAGES IN 3-ALARM BLAZE MONDAY AS VOLUNTEER FIRE DEPT. BATTLES CONFLAGRATION

A three-alarm fire which engulfed three Mission street buildings in flames and caused damages in excess of $25,000 gave volunteer members of the Daly City Fire Department a battle early Monday afternoon.

Completely gutted was Burk's Tire Shop at 6728 Mission street, with heavy fire damage at Jones Sheet Metal company, 6724 Mission and the Trading Post at 6732 Mission street.

Fire Chief Elmer Kennedy placed the cause of the blaze on a supply of tire re-cap cement which accidentally ignited in the basement of the shop at 6728 Mission street.

The first alarm sounded at 1:13 p.m. Monday and in the two and one-half hours during which firemen fought the flames two more alarms were rung in. Companies 1, 2, 4 and 6 responded, together with a company from the Colma Fire District called in by Colma Chief Louis Nannini.

Firemen were handicapped by Municipal Railway and Pacific Gas and Electric high voltage lines strung along Mission street which became enveloped in flames and endangered the fire fighters. Gas lines within the building were also on fire, together with burning rubber cement which floated around the burning basement. Public utility emergency crews were called to the scene immediately.

Huge billows of boiling black smoke and flames leaping on the rooftops attracted hundreds of spectators.

Traffic was routed off Mission street between Parkview and Westlake avenues, and prompt coordination by Municipal Railway officials prevented any tie-up of street car or bus service.

The proprietor of the tire shop attempted to call in the first alarm by phone, but lost time as the operator mistakenly tried to connect him with the San Francisco Fire Department. Lloyd Selmi, a neighboring merchant, pulled in alarm box number 33 to start the fire engines rolling.

Fire Chief Elmer Kennedy said, "It is up to every citizen to be acquainted with the location of the nearest fire alarm box in case of an emergency. Everyone should also know how to turn in an alarm by phone — the number is printed on the first page of the phone book — JUniper 5-4212."

Firemen were able to carry out salvage operations and put on salvage covers to save a large amount of furniture in buildings adjoining the tire shop. Personal property loss was neglible despite the intensity of the blaze.

When the fire had been finally brought under control, firemen on the scene moved quickly to an epileptic first aid case at 6690 Mission street and the stricken party was removed to Junipero Serra hospital by Fire Lieutenant Mel Hanson and Emil Bertelli with fire company number one apparatus.

HITCH HIKER HITCHES RIDE, MONEY AND CAR

William Stafford, 297 Hillside boulevard, will probably think twice before he gives another hitch-hiker a ride.

Stafford picked up a hitch-hiker last week and as he neared home he pointed out to his rider the best possible place to get another ride. His good Samaritan act backfired, as the rider poked a revolver in his ribs.

He was ordered to drive his car on the road to Lake Merced where he was relieved of his wallet, his money and his car.

Yes, William Stafford will probably think twice before he gives another hitch-hiker a ride.

WALLET SNATCHER DOESN'T PROVOKE CHIVALRY IN MAN

It is often claimed that chivalry is dead — but how can a man remain chivalrous when he runs into such situations as S. Aldous of 319 San Diego avenue did last week.

Aldous was out walking with his dog last week when a woman who was sitting in a parked car on Mission street, got out and began talking about his dog. Quick as a flash she grabbed his wallet, jumped into her car, and drove off.

Now Aldous' concern is "cherchez la femme" and it's not with a very chivalrous feeling.

Presbyterian Women Plan Annual Bazaar

The Women's Council of the Grace Presbyterian Church is making plans and arrangements for their annual bazaar.

The bazaar, together with a dinner, will be held at the Masonic Hall November 12.

Mrs. Walter Kesler is chairman of the council.

The Show Must Go On

Who said vaudeville is dead? Students at Jefferson high hope to prove that the entertainment art is very much alive when they present a Variety show on Friday, November 12, in the high school auditorium.

General admission will be fifty cents, with proceeds going to buy additional stage equipment.

Acts, sketches, comedy and music and dancing will all be featured, under the direction of Miss Seaton of the high school faculty. Student director is Lynn Hodge.

Further details are given in Carol Donaldson's Jefferson Hi-Lites column.

BETTER BRUSH UP ON YOUR HISTORY! QUIZZES COMING

Daly City radio fans who sit night after night by their "talking machine," rapidly spouting off the correct answers to the numerous and varied questions, while all the time bemoaning the prizes they would have won, could they have voiced those answers over the air, at last have a chance to show their ability as contestants.

For Family Fun Night October 29, Circle No. 2 of the Grace Presbyterian Church will sponsor, not one, but five quiz shows and will give away 108 prizes varying from peanuts to homemade jam. (And can you guess who the mystery man will be?)

The programs represented will be "Take It or Leave It," with Mrs. Ethel Hodge as master of ceremonies; "What's the Name of That Song?" with Mr. and Mrs. George Miller in charge. (While we're thinking of names, what's the name of the mystery man?)

Mrs. Ora Miller will preside on the "Bride and Groom" show. Emceeing for the stunt quiz show will be Mrs. James Dowell. Mrs. Lois Adami will have charge of the children's portion, which will consist of a comic strip and geography quiz.

Each quiz will last approximately 20 minutes with each master of ceremonies having 8 to 10 questions prepared from the original radio quiz.

And if you don't win any of the numerous prizes on the quiz shows, you can still try to guess who the mystery man is. He will appear every 8 to 10 minutes, each time with an additional portion of his costume on.

The fun night will begin at 7:30 p.m. Coffee, pie and apple juice will be served. The program is open to the public.

Less Than 10 Per Cent Of Community Chest Quota So Far

Daly City's quota for the Community Chest, set at $6,000, looked as though it would not be reached this week as less than $500 had been collected despite efforts of voluntary workers to put the local thermometer over the top.

A group of women, assembled by Mrs. Ethel Harris, are maintaining solicitor booths at the city hall and the Bank of America to obtain donations for the Red Feather drive. They are Mrs. Eve Hobbs, Mrs. Kathleen Matzek, Mrs. Emma D'Isep, Mrs. Mildred Seiler, Mrs. Betty Kohlbrenner, Mrs. Gus Kasper, Mrs. Lily Cavagnaro and Mrs. Ann Ingersoll.

With less than ten days to go before the close of the campaign, Chairman Frank Blum and Co-chairman Arnold Panella urged every citizen and business house to volunteer their services and contribute to the Communiy Chest fund and the many worthwhile agencies supported by it.

TAX COLLECTOR HERE ON NOV. 10

A representative of the county tax collector's office will be stationed at the Daly City branch of the Bank of America on Wednesday, November 10, between 10 a.m. and 3 p.m., it was announced today by Ralph MacArthur, county tax collector.

A representative will be at the Colma branch of the bank on Friday, November 12, during the same hours, MacArthur said.

These arrangements are aimed at providing convenience for north county residents in paying their county tax bills.

Legion Post Has Finished Addition

Completion of a new twenty by forty foot addition to the American Legion Hall, except for a few minor items, was announced yesterday by Ralph Capps, commander of Daly City Post No. 410, American Legion.

The addition will be officially "initiated" with a Hallowe'en Party and pot-luck dinner to be held Saturday night, Capps said. Costumes will be worn by Legionnaires attending.

In charge of the dinner will be Mrs. Vivian M. Pahlka, assisted by Mrs. Lillian Felch, Mrs. Rose Giorni, Mrs. Kathleen Matzek and Mrs. Olga Bordson.

HALLOWE'EN PARTIES FOR ALL KIDS SET FOR SATURDAY NIGHT INSTEAD OF SUNDAY; PRIZES FOR BEST COSTUMES

Witches and goblins will ride into Daly City a day early this year and riding along side them on their broomsticks will be fun-packed costume parties for Daly City youngsters.

So take off your Portola costumes, kids, and don your Hallowe'en finery for the third annual series of Hallowe'en parties which will be held October 30 this year. And be prepared to enter the costume parade which will be held at each of four parties, which will be in progress simultaneously. You might win one of the prizes for the prettiest, funniest or most original masquerade attire. The costumes will be judged in three age groups, 5 years and under, 6 to 9 years, and 10 years and over.

Youngsters will be grouped according to the school they attend and their age. Students from Jefferson elementary, Thornton and Woodrow Wilson schools will attend the party at the Jefferson high school cafeteria dining hall and Little Theatre. Our Ladies of Perpetual Help school hall will be the setting for the party for OLPH and Crocker schools' youngsters. General Pershing students will go to the General Pershing school, while teen-agers will have their party in the recreation hall on Bellevue avenue.

All parties will begin at 7:30 p.m. and end at 9:30 p.m. with the exception of the teen-age party which will last until 10:30 p.m.

Besides the costume parade, each celebration will include movies, stunts and games. Free ice cream will be served.

The parties are sponsored by the Daly City Recreation Department, Colma P.T.A., OLPH Mother's Club, Woodrow Wilson P.T.A., Crocker P.T.A., Pershing P.T.A., and the high school P.T.A.

General chairman this year is Elman Rose, director of recreation. James Snell, superintendent of the Jefferson school district, has charge of refreshments. Mrs. L. B. McGeein, president of the Jefferson high P.T.A. has charge of prizes.

Co-chairmen of the party held at the high school are Mrs. J. A. Sorenson, Woodrow Wilson P.T.A. president, and Mrs. E. Dennis, Colma P.T.A. president. They will be assisted by James Hinds and R. L. Crane, both of the Daly City Recreation Commission, and Glen Smith, Marchbank playground director.

For the party at OLPH school hall, Mrs. Valletta Ennis, president of the OLPH Mother's Club, will be chairman, assisted by Ed Cavagnaro of the recreation committee of Daly City, and Joe Ballarin, Lincoln playground director.

Mrs. A. Gensil, Pershing P.T.A. president, and Mrs. Effie Jordan, Crocker P.T.A. president, will be co-chairmen of the party at Pershing school. They will be assisted by James Snell and Bob Seiler, Daly City recreational supervisor.

The teen-age party will be under the direction of Mrs. Ann Eason of the Daly City Recreation Commission and Mrs. L. B. McGeein.

There is no admission charge to the youngsters.

Old Glory Auxiliary To Honor Past Leaders

Past presidents' and past commanders' night will be feted by Old Glory Auxiliary 2044, VFW, at the Masonic Temple Friday night.

Mrs. Martha Strol will be the official inspector. Refreshments will be served following the meeting.

VARIETY SHOW

The school is buzzing with plans for a gigantic Variety Show to be held November 12, in the Jeff auditorium. The students have responded very favorably to the plans Miss Seaton presented to them. The show will only be held one night unless the ticket sales necessitate a second performance. The purpose of this talent display is to raise the money to purchase new stage equipment.

General admission has been set at 50 cents, but there may be a reduced rate for Student Body Card holders. Although most of the facts about the various acts and sketches are still a secret, a few plans have been told. An act called "On the Lot," by Florence Ryerson and Colin Clements, will illustrate some of the fashions worn by the Jefferson students. A hilarious comedy act, which has been enacted in a motion picture as well as on the stage many times before with great success, will be "If Men Played Cards as Women Do."

The finale will consist of an all-gypsy background of fire, fortune telling, dancing and singing. The teachers responsible for presenting the show are Miss Seaton, producer and director; Mrs. Parkhurst, in charge of dancing; Miss Tully, advertising; Mr. Mosely, staging; Miss Baciocco, scenery and design. Beverly Stein is in charge of the various costumes, and Lynn Hodge will preside as student director. The Variety Show has met with the enthusiasm and school spirit that always accompanies these activities at Jeff.

Pictures Taken

Identification pictures were taken during the gym periods last Monday and Tuesday. These pictures are pasted on the permanent record cards in the school office. Duplicate copies may be purchased by those students desiring them. These pictures are taken annually.

The Sergeant-at-Arms committee held a meeting last week to order new ticket books. This committee operates under the guidance of Mr. Mongon. Its purpose is to keep law and order during school hours. A few of the members duties are to see that there is proper conduct in assemblies, and to keep the halls quiet and orderly. Tickets are given to violators of the committee's laws.

When a student receives a ticket, he must appear in student court on an assigned day. The judge and jury consist of selected students. The student body judge this term is Don Woll. If the student is found guilty, he is given a fine, which is some type of punishment. A few of the most common fines are to wash dishes in the cafeteria, to write a lengthy composition about the act committed, or to stay a set time after school. The students are allowed to watch the court sessions.

The German Club held its bi-monthly meeting Monday morning to choose its new officers. Joan Hopman was selected as president and Dot Foley won the job of secretary-treasurer. Friday, October 12, the club's sponsor, Miss Seidel, took the club to see the "Blue Danube" at the Curran. Several other activities, which include ice skating and dinner at the California Hall, have been planned for the year.

SPOOK SHINDIG

Tickets for the Spook Shindig will be on sale at the high school Monday, Tuesday and Wednesday for 75 cents.

BLOCK J

The Varsity Block "J" society held its first meeting of the season to elect the fall semester's officers. The results of the elections were: president, Jim Silacci; vice president, Ray Settrini; secretary-treasurer, Don Woll.

A meeting of the Junior Prom committee was held Monday morning. The members decided on the theme for their dance, which will be held on November 19. Students were chosen to help with the advertising, ticket sales, and decorations.

HUNTING IS POOR, BUT FISHING OK AT PLUMAS

The hunting was poor, but the fishing was good. That was the report of the D. C. Rod and Gun Club's Al Speers, George Scally and Mr. and Mrs. Jimmy Fox upon their return from nine days of hunting and fishing in Plumas county.

Only two small bucks were sighted, during the first few days, and these were passed up in hopes of bigger ones. However, there were no more to be sighted.

While camping on Last Chance Creek, waiting for the unsuccessful hunters, Mrs. Fox, who had never been trout fishing before, baited a hook with a grasshopper and landed an 18-inch Loch Leven trout. That changed the purpose of the expedition, as the men put aside their guns in favor of fishing tackle. A fine mess of trout was landed but the biggest was a 16-inch rainbow by Al Speers, which couldn't compare to the prize landed by Mrs. Fox.

Ticklers By George

"It's a new type of shoe I invented to use when we bust out. The cops won't know whether we're coming or going!"

Grand National Livestock Show Opens October 29

San Francisco's famed Cow Palace will flourish as a miniature city during the colorful Grand National Livestock Exposition Horse Show and Rodeo, with all the facilities of "Big Town" available to those on the grounds.

Whether you desire to bank mail a letter, send a telegram phone friends, be treated for an injury, or seek information, facilities will be available during the ten days of the gigantic show which is to be held October 29 through November 7, comprising a rodeo in which world champion ships are decided, a multi-million dollar livestock show, a horse show second to none in the nation, and the most thrilling of circus acts.

For those who like to dine there is the glittering "Skyroom" located in the west gallery of the building on the level above the mezzanine. Another restaurant is situated to the right of the main entrance and a third near the end of the concourse leading left from the main entrance.

A new cafeteria and a dormitory on the flats south of the Cow Palace have been erected chiefly for exhibitors and aides. The cafeteria seats 248 at a sitting, while the dormitory has double-deck bunks and all conveniences found in the modern home.

An emergency first aid station is located on the ground floor, south side, of the south horse barn. An information booth is to the left of the arena at the main entrance to the Cow Palace.

Telephone booths are spotted at a convenient location near the press room and the Western Union will provide telegraph and messenger service for the convenience of exhibitors.

In all, it is unnecessary for those connected with the show to leave "Miniature City" during the entire show, for every available convenience has been made available for their comfort, and that of patrons as well.

VACATION OVER

Frances Poket, daughter of the James Pokets on Mission street, will return on Sunday from a vacation trip to Los Angeles and Tiajuana.

Sportswomen Plan Casting Tourney

Plans for a casting tournament to be held at a later date were made by the newly-formed Daly City Sportswomen's Club, which held its first meeting October 13 at the Daly City Recreation Center. Mrs. Frances Nenstiel acted as president.

By-laws will be adopted and officers elected at the meeting November 10. All women interested in sports and the preservation of wild life are invited to join. Information about the club may be secured from Mrs. Nenstiel at DE 3-3784 or Mrs. Vi Prigmore at JUniper 4-7662.

Food Big Item

The average family uses about a third of its expenditures for family living in feeding the family.

PENINSULA NOTES

NEW SAN CARLOS JOB

Employment of a city manager, at $600 per month, appeared certain for San Carlos, when that city's council introduced an ordinance providing for a council-manager form of government.

The measure will be formally adopted when the council meets again on October 27. Mayor Edward Burton said the city manager would provide much-needed coordination in municipal government.

SAN BRUNO PARKING

Don Risso, secretary of the San Bruno Chamber of Commerce, is canvassing lot owners in San Bruno's business district in an attempt to obtain off-street parking facilities which will be utilized to ease congestion.

GARBAGE OK

A complicated garbage situation in San Bruno was cleared up somewhat last week when the Daly City Scavenger Company withdrew a bid it had submitted for the San Bruno work.

The local company had bid at 70 cents per customer per month, returning 20 per cent, plus $1,000 per year, to the city of San Bruno. The city had accepted a higher bid of 90 cents from the firm of Schawitch and Magoria, of San Bruno.

Farmers sell potatoes at $2.30 and buy them back at 25¢

We have heard a lot about how high farm prices tend to drive other prices higher. And as other prices go higher the farmer finds it necessary to raise his prices still higher. This is a perfect example of the vicious circle.

For a number of years we have been operating under a Federal law which will not expire until 1950. And it is one of the craziest laws on the books. This is the way it works.

This month the government operated Production Marketing Administration is buying up all of the nation's surplus potatoes at $2.30 per 100 pounds. And it will pay progressively more each month until March when the price will reach $3.05 per hundred.

Now the reason the price of potatoes is high is because the administration is holding prices up by offering the farmer a ready and profitable market for any and all potatoes the consumer does not absorb. And by keeping the prices beyond the reach of the wage earners, the administration reduces the demand for spuds to less than normal. And by reducing the demand, the administration makes the surplus just that much larger.

In Wisconsin a few days ago the Production Marketing Administration let a cat out of the bag when they revealed the fact that potatoes which the administration has bought at $2.30 per hundred will be resold to farmers at 25c per hundred. They say the cheap potatoes will be used to relieve a live stock feed shortage.

With these cheap potatoes (which you can't buy because you are a consumer) the farmers are going to be able to fatten a lot of hogs. This will be good for the farmers but it won't be so good for you because cheaply produced pork will not mean reduced prices for your ham and bacon. Just watch and see for yourself—the administration will step in and buy all of the pork offered in order to keep prices up.

This isn't any dream, it's the way the law and the administration operates. The farmer isn't to blame for this government price fixing. He is helpless. He knows that he was better off in 1929 than he is now. True, he is collecting big profits—and the government is taking the profits away from him when he pays his taxes.

It's a nice system, isn't it?

There is only one way to change it. Elect a new administration. Vote Republican next Tuesday and help to put some common sense into our government.

USTANGS REFUSE TO GIVE AN INCH THEY BATTLE FAVORED OCEAN A. C. SCORELESS TIE IN FAN-THRILLER

By Tom Tromborg

tes' representative at every all game, "Lady Luck," failed ow up last Sunday, and in her nce two fine grid elevens nt to a 0 to 0 tie at the Jefferhigh school field in a game h the two battling charging rd walls proved to be the ight of a truly great gridiron st between Daly City Mus- and Ocean A.C.

ere were no particularly outding stars in the game, as it a question of team work, with er able to gain the triumph of ing the other's goal. Mr. Pig- took no spectacular bounces, Lady Luck failed to play her , and so with this unexpected of fate, there came a scoredeadlock, in a game where a k here and there could have the deciding factor in a conthat was a thriller to the final

ch team threatened twice, but s the Mustangs who made the st penetration when they e to the Ocean A.C. six-yard On fourth and six to go for a ndown, Plyer's pass to Cini was knocked down in the zone to halt Coach Ferrando's e wing on the verge of a game ing touchdown. At another early in the first quarter, an n A.C. fumble on their own rd line gave the Mustangs her opportunity to score, but passes and a penalty erased the ng potential.

ean A.C. lead by Poly high's d T-quarterback, "Duke" Mar- gave a brief display of their ted passing attack and pad to the Mustang ten from e the Daly City forwards rose e occasion and stopped them.

low's passing was letter perbut his receivers forgot the part of the act, and that was tch the ball, and so the Ocean k centered around the running eir two very fine halfbacks, veney and Chamberc, who proved their worth by time ime again breaking clear for gainers. It was always after had gained on two or three ssive ground plays and seemed e marching that the Mustang ards, led by Roddy Dawe, Mer- Frances, Gene Cross, "Jarrin' " Cosalotto, and Richard Morwould stem the tide with a ant display of line defense.

he Mustang tackles were not g fooled by any T formation plays, the guards at all times ted pressure on the quarter- and the ends, Gene Cross, Bill er and Walt Silva, played a hing game of defense that ped cold Marlow's hand offs for quick openers and end sweeps. hen a ball carrier did get be- the line he was quickly ght down by the fine line king of Roddy Dawe, Mervin nces and Richard Morgan. se boys can hit and hit hard, to them one can accredit the strength defensively shown by Mustangs in their last three es.

the Mustang backfield, take r hat off to two of the hardest ving backs in the league. They Chuck Christian and Bob mes, who to me were at their last Sunday, and are fast ng to Harrly Ferrando as fine alanced backfield as any coach ld want. Christian and Grimes outstanding on defense, and in game as in all others that they ved, they made tackles that m the stands can only be worded utstanding and spectacular. On nse both these boys proved pass receivers, and Grimes in ticular gave a great showing change of pace runner.

Bob Plyer's spinner reverses to quini off the single wing were king to ground gaining advane, as was the improved running Jack Parker, who is just now inning to find himself.

Austring's power running up the idle is now an importan factor Ferrando's offense and has ved to be hard for any opponent stop.

Give credit to some fine play on part of Jim Pederson, Tommy zendin, Allen Pettigrew, and all others who, as a team, have de the Mustangs rise from just ther football team to a first ss, fast moving, organized unit t has definitely become a grid chine that has the potential lity and the spirit to give South y all of the football it's going want for one afternoon.

	Mustangs	Ocean
Downs	12	8

Farm Marketing

Of the nation's six million farms, e top one-third marketed 84 per nt of all farm products sold, the iddle one-third about 13 per cent, d the bottom one-third sold only per cent.

Automatic Fuel

Gas is the most completely autotic fuel. Gas heating units reire no attention from the owner m season's beginning to season's ding. They do, however, require least an annual servicing by an perienced heating contractor.

Huge Building

The Merchandise Mart building in icago could hold the entire popuion of the city standing. Located the north bank of the Chicago er, the Mart houses much of the olesale dry goods business.

CROCKER SCHOOL LEADS TOUCH TACKLE

A touch-football league, sponsored by Bob Seiler, athletic director for the Jefferson School District, has captured the fancy of hundreds of small fry in Friday late afternoon games at Marchbank Park.

Leading the league so far is Crocker School, with two wins. Jefferson elementary and Woodrow Wilson have each won one and lost one game, with Our Lady of Perpetual Help in the cellar with two losses.

Leading scorers are Jim Fernandez (J), Jack Allain (W), Joe Lewkowitz (W), Richard McDonald (J), Martin Vereece and Dave Martinez (C), and Bill Allen, Frank Mecchi and Garry Johnson, all of Woodrow Wilson.

SAN JOSE TANGLES WITH INDIAN GRID TEAM HERE FRIDAY

Strengthened by the return of two first-stringers who were out of action last week, Coach Glenn South's Jefferson Indian gridders meet San Jose high, defending champions in P.A.L. football competition, Friday at Jefferson field, with the whistle set for 3 p.m. Center Jim Harrison and Fullback Ray Settrini have recovered from injuries and will start the game Friday.

Last week San Jose defeated Burlingame, 7-6, as Jefferson was losing to Palo Alto.

South drilled his charges all week on pass defense and expected that his team would give fewer scoring opportunities than they did last week.

A capacity crowd is expected at the high school to watch the game.

Axis Nemesis

Winston Churchill and other British wartime leaders mapped attacks against the Axis in a nest of 150 rooms 50 feet underground, a few hundred yards from the house of commons.

MacArthur Stamps

The New Philippine republic honors Gen. Douglas MacArthur with three new stamps, each bearing his portrait. The stamps are four centavors gray-violet, 6-c red and 16-c blue.

Huge Gas Line Project Under Way

Men are at work along Skyline boulevard near the Crystal Springs Golf Course constructing a 30-inch gas transmission main to San Francisco for the Pacific Gas and Electric Company. They are shown above placing sections of the giant pipe line in trenches crossing the hills west of San Carlos. The line is scheduled for completion this fall. It will increase supplies of natural gas for San Francisco and Peninsula cities, augmenting deliveries to San Francisco by 89,000,000 cubic feet per day.

Sell Out Looms Week From Sunday At Jefferson Stadium As Mustangs And South City Gridders Tangle

An absolute sell-out that will probably fill Jefferson High stadium to the gills looms for Sunday, October 31, when Daly City's Mustang football team tangles with the so-far unbeaten Windbreakers from South San Francisco. Wise fans were buying their tickets up in advance at a dollar a copy, tax included.

The Mustangs will rest Sunday, after cancellation of a scheduled tussle with Sacramento, while the Windbreakers engage an unknown Washington team in a Saturday nightcap.

The Windbreakers have romped through California Athletic League competition this year without a defeat, and are rumored to be the strongest team in the league.

The Daly City aggregation, after a slow start in their first season, have improved several hundred per cent during the last three weeks and are openly pointing for their arch rivals, South San Francisco.

The game will revive many old feuds for some of the members of both teams engaged in bitter clashes in years past when playing for Jefferson and South City high schools. The traditional rivalry between the two groups should make it the hardest-fought game of the season.

The South City team beat Mountain View 6 to 0, while the Mustangs bested the same team, 12 to 6. South City and Ocean A.C. tied, 6 to 6, while Ocean and the Mustangs last week battled to a scoreless tie.

Christmas and New Year's are about the only two days which are observed as holidays throughout the world.

TRAFFIC COURT

Speeders, as usual, took first place in the number of traffic violators paying fines at the municipal court this past week.

Totaling 34, they were: Erda Barristetter, $7.50; Harold Brown, $5; John Carvalho Jr., $5; Earl Charlton, $10; Jessie Clark, $7.50; Michael Collins, $5; Earl Croameans, $5; George Ilog, $5; James Jan Jigian, $10; Sahl Kabbani, $7.50; Nelly Lyon, $7.50; Douglas Mariska, $7.50; John Masko, $5; John McMillan, $7.50; Phillip Phillips, $2.50; Newton Ryther, $5; John Samaduroff, $2.50; James Steiner, $5; Charles Terry, $5; William Young, $5; Paul Betschawa, $5; John Cahill, $2.50; Guido Cantagalli, $2.50; Jane Humphreys, $7.50; Marie Gilley, $5; Kennedy Knight, $5; George Myers, $2.50; John McDonough, $2.50; Ellis Perez, $5; Jean Simpson, $7.50; Kenneth Brigendire, $5; Rubin Hunter, $2.50; Mary Lee Hursh, $7.50; Theodore Wilson, $2.50.

Parking violators numbered 23. They were Manuel Aliphat, $1.50; Giovanni Bianchini, $1.50; Vernoy Bower, $1.50; D. N. Buckley, $2.50; George F. Burger, $1.50; J. Cattermole, $2.50; George Connors, $2.50; Roy Cox, $2.50; Claire Epley, $2.50; Alva Fredricks, $2.50; Sidney Hohenstein, $2.50; David Reed, $1.50; A. G. Siebert, $2.50; Earl Smith, $1.50; Fred Steinhart, $2; Mary Ward, $2.50; Kenneth Osborne, $1.50; H. Wickershaimer, $1.50; Alice Gosser, $1.50; Paul Betschawa, $5; S. Daniels, $1.50; Julio Giannini, $1.50; John Fanuchi, $1.50; William Miller, $1.50.

Other violators included Jaspar LaFerla, William Roberts, Robert Skon, Elizabeth Taylor, Harold Coon, Berniece Howard, James Hawthorne, each fined $2.50.

Palo Alto Takes 32-6 Win At Jeff

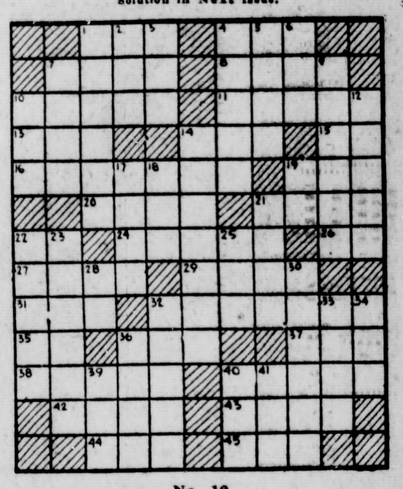

Jefferson high school's football team played a good game last Friday against Palo Alto until the gridders went to sleep on pass defense. While they were asleep, the Vikings completed three long passes, all good for touchdowns, and Palo Alto was the winner by a score of 32 to 6.

Don Lunghi, captain and left halfback for Jefferson, scored the lone Indian tally.

The Jefferson line was strong between the tackles, but the Paly eleven was able to gain around the ends and through the air.

FIELDS' RETURN FROM GUAM AFTER ABSENCE OF MORE THAN YEAR

Returning to Daly City after an absence of more than a year, Warrant Officer and Mrs. Cliff Fields arrived in town yesterday on the USAT General Randall upon completion of a tour of duty in Guam.

Cliff, son of Fire Marshal Jack Fields, grew up on Risel street and joined the Marine Corps about ten years ago. Mrs. Fields is the former Peggy Murray, who was raised on Hanover street.

Warrant Officer Fields, assigned to the Marine air arm, will be stationed at Barstow, California, after a brief leave for the purpose of renewing old acquaintances.

The orange, lemon, lime and citron were introduced into California by the padres at the San Diego Mission.

(Paid Political Adv.)

Let's Admit It's A Failure

. . . we mean the discredited experiment in county government that has produced strife and discord between the Board of Supervisors and the County Executive for the past 11 years.

San Mateo County is the only county in the United States with this weird, two-headed form of government in which the Board of Supervisors and the County Executive each rule parts of the county government.

Experience shows that it doesn't work—that it is inefficient and wasteful. Three county grand juries have condemned it. Experts in governmental administration scoff at it.

So let's admit that this experiment is a failure and join the 800 cities and counties in the nation which employ trained, experienced city and county managers, skilled in stretching the tax dollar.

END THE COURT HOUSE DEADLOCK . . . PROMOTE EFFICIENCY

DREAM GIRL . . . Would you like to be on an island with Esther Williams? Well, there's no harm in dreaming. Seductive, sarong-clad Esther makes her latest appearance on the Crest screen now in MGM's new big-time musical, "On An Island With You," a Technicolor opus replete with songs, dances, underwater ballets and an exotic tropical setting. And what a cast—Peter Lawford, Ricardo Montalban, Jimmy Durante, Cyd Charisse and Xavier Cugat and his orchestra!

Maid-of-Honor Present At Golden Anniversary Of Mr. And Mrs. Flook

A golden wedding anniversary was celebrated by Mr. and Mrs. George Flook, of 623 San Diego avenue, last Tuesday. Mr. and Mrs. Flook were married in Garden City, Missouri, October 19, 1898. They resided in Lewistown, Montana, for some forty-five years, moving to Daly City about three years ago.

Mrs. H. L. Ferguson, of Berkeley, a sister of Mr. Flook and maid-of-honor at the wedding 50 years ago was present for the anniversary. Also present were Mrs. Stanford Hannah, Mrs. Mary Lou Morrow, and nine-month-old Linda Sue Morrow, daughter, granddaughter and great-granddaughter of the Flooks. Another daughter, Mrs. Warren Cruickshank of Kelseyville, California, was unable to attend because of illness.

The Flooks have two sons, Walter Flook of Massachusetts and Jacob Flook of Warm Springs, Montana.

A host of friends attended the open house and were served from a beautiful golden cake baked for the occasion.

Mrs. Stanford Hannah was hostess and was assisted by Mrs. Ferguson, Mrs. Morrow, Mrs. Georgia Larson, Mrs. Ruth Emerson, Mrs. Thomas Swan and Mrs. Elisabeth Bright.

Mrs. William Harberts and Mrs. Walter Kessler assisted in receiving at the door. Mrs. Jean Rieth and Mrs. Ruth Hyman assisted with the serving.

Beautiful arrangements of yellow and bronze chrysanthemums and yellow roses adorned the Flook home. The centerpiece of the table was of yellow chrysanthemums and tall yellow tapers. Refreshments consisted of open face sandwiches and a wedding cake, beautifully decorated in gold.

Annexation Broadcast Set For KJBS Saturday

The facts about annexation of the Westlake subdivision and its advantages to Daly City will be outlined in a broadcast on station KJBS on Saturday at 3 p.m., according to an announcement made today by representatives of the "Yes for Annexation" campaign.

TEACHERS ASSN. DRAWS PLANS TO JOIN WITH PTA

Affiliation with the California Teachers' Association was the main order of business of the Classroom Teachers' Association of the Jefferson School District at the first meeting of the year held October 14 in the Administration building.

The affiliation necessitated a revision of the by-laws by having two more standing committees formed. A unanimous vote sanctioned the revision and the two new committees, public relations and membership, were formed. Ethel Hahn is chairman of the former committee, assisted by Hazel Colwell, Winifred McGrath, Aileen Suber, Marjorie Tobias, and Marie Traynor.

Lorraine Day heads the membership committee and will be assisted by Alma Ledwith and Evelyn Hosmer.

Delegates who form the executive committee of the organization are Elda Ackerman, Crocker; Edith Krummes, General Pershing; Alma Ledwith, Jefferson; Carol Rupert, Thornton; Helen Day, Woodrow Wilson elementary; Mae Varnie, Woodrow Wilson primary.

The object of the association since it was founded in May 1945 has been "to promote professional efficiency of the teachers, to promote their economic and social status, and to advance educational interests, as well as to study the problems of all classroom teachers." The association has the "backing" of the teachers, as can be seen from the following list of members — Special Curricula: Pauline Buchannan, R. L. Crane Jr., Ruth Mayo, Muriel Vint; Principals: Hazel Colwell, Thornton School; Ethel Hahn, Woodrow Primary; Winifred McGrath, General Pershing; Aileen Suber, Woodrow Elementary; Marjorie Tobias, Crocker; Marie Traynor, Jefferson. School faculty members: Crocker: Elda Ackerman, Margaret Anderson, Grace Kearney, Louise Plumb, William Tergis; General Pershing: Dora Barker, Ellen Clark, Margaret Clarke, Henrietta Engel, Lucille Hallenbeck, Marie Intaschi, Edith Krummes; Jefferson: Gladys Campana, Lorraine Day, Genevieve Gannon, Evelyn Hosmer, Adis Hyde, Otha Kinsey, Alma Ledwith, Elizabeth Mertens, Don Pagani, Hortense Sundman; Thornton: Hester Blaylock, Patricia Durand, Carol Rupert; Woodrow Elementary: Helen Day, Richard Guthrie, Aileen Haslett, Ruth Rogers, Marjorie Ross, John Ryan, Gladys Stark; Woodrow Primary: Edna Bianchi, Virginia Bolstad, Jane Boyd, Norma Eddy, Mae Varni, Jane Watson. Of the six schools in the district four of the schools are displaying the "100 per cent Membership Certificate" in the association.

The annual reception of the association has been scheduled for Monday, October 25 at 8 o'clock in the sewing room of the Administration building. The committee in charge include: Hazel Colwell, chairman, assisted by Ruth Mayo and Pauline Buchanan. This traditional reception will bring together Superintendent and Mrs. Snell, the Board of School Trustees and their wives, all new teachers, and members of the association.

CITY COUNCIL CONSIDERS WIDENING OF SCHOOL STREET AND EXTENSION OF BRUNSWICK ST. THROUGH QUARRY

At a caucus meeting of the city council Monday night, a group of property - owners representing School street gathered to discuss possible widening of that thoroughfare to accommodate traffic and make possible development of a business center.

While heartily in accord with the idea that the street should be widened, there were various points of view as to who should pay for it.

School street is ninety feet wide between Junipero Serra boulevard and Railroad avenue, and sixty feet wide from there to Mission street. It had been suggested that the street be widened to seventy-five feet east of Railroad avenue.

Some property owners on the south side were willing to donate fifteen feet of property for the widening, provided the city paid for the paving and set-back. Others wanted payment for their property. Many of the remainder were noncommittal.

The council decided to obtain tentative estimates as to cost of the project and notify all property owners on School street when engineers' recommendations are received.

QUARRY STREET

In other matters, the council gave tentative approval to extension of Brunswick street through the rock quarry to join with Hillcrest boulevard, and directed city engineer R. C. Klassen to prepare detailed plans and grade figures.

The council also discussed installation of water system and streets in the new Edgemar subdivision, in the vicinity of Lowell, Whittier and Bellevue streets, and referred the plans to the water department for final approval. This project will add approximately 125 new homes to the city.

Other items under consideration were the paving of sidewalk areas on Mission street, below School street. Mayor Gaggero was to contact property owners involved and attempt to make arrangements for installation of sidewalks as a safety measure for pedestrians.

Countywide Group Supports Dolwig

Backed by an executive committee of widely known San Mateo county public officials and other citizens, Assemblyman Richard J. (Dick) Dolwig today swung into the last two weeks of his campaign for re-election. The Assemblyman said he plans an extensive tour of the entire county, and already has addressed meetings in virtually every community.

Helping Dolwig with his campaign are the following public officials, who are his county executive committee: Chairman Alvin S. Hatch, chairman San Mateo county board of supervisors; Mayors A. J. Gaggero, Daly City; Leo Ferko, South San Francisco; E. J. McGuire, San Bruno; Harold C. Taylor, Millbrae; Creed B. Haberlin, San Mateo; Bayley Kohlmeier, Belmont; Edward R. Burton, San Carlos; William M. Werder, Redwood City; James Howell, Atherton, and Charles P. Burgess, Menlo Park.

Among the other citizens working in Assemblyman Dolwig's campaign are: Joseph Sarto and Hugh H. Smith Jr., Daly City; Dr. J. C. McGovern and Edward Kauffmann, South San Francisco; Judge R. A. Rapsey and Tom Chapman, San Bruno; George Felty and William F. Leutenegger, Millbrae; Pat Rorke, James L. Porter, William J. Feary, Hugh A. Wayne, and L. Herbert Harris, Burlingame; Dr. St. John Lester Russell, Hillsborough; Dr. Olin M. Holmes, John Bromfield, Martin Poss and Dan Creedon, San Mateo; Merritt Hosmer and George Lagomarsino, San Carlos; J. C. Ferrell, Redwood City; J. H. Stubbe, East Palo Alto; Ira Bonde, North Palo Alto; George Dunn, Half Moon Bay.

(Paid Political Adv.)

Labor Unions are here to stay...

It was Abraham Lincoln who said, "In union there is strength and no nation can survive half slave and half free."

It was Lincoln who likened slave labor to a poker game when he said, "When one man has all the chips the game is over." And ever since the Republican party was established back in the 1860's it has insisted on the personal dignity of the individual, and his right to complete justice without regard to race, creed or color. For 88 years the Republican Party has been preaching a doctrine of sound finance, common sense and stable prosperity. Every sensible business man recognizes the fact that our nation will be prosperous only as long as wage-earners can purchase the goods which manufacturers have made. That is the keystone of all prosperity.

And every sensible wage earner knows that no business can continue to operate unless it can earn a profit for its owners. It follows therefore that all investors in all kinds of enterprises and wage earners must work in harmony or they will both go down together.

Sensible laboring men have learned at a bitter cost that they can not allow their unions to be dominated by Communistic trouble makers whose desire is to first destroy our form of government. And then to destroy all labor and all business. These Communistic So-and-so's are the termites of our civilization. They are out to destroy everything and build nothing.

The Republican party is facing the question of protecting the interests of the wage earners fearlessly. And in the Republican platform adopted unanimously at Philadelphia, you will find this statement—

"Collective bargaining is an obligation as well as a right, applying equally to workers and employers; and the fundamental right to strike is subordinate only to paramount considerations of public health and safety. Government's chief function in this field is to promote good will, encourage cooperation, and where resort is had to intervention, to be impartial, preventing violence and requiring obedience to all law by all parties involved. We pledge a continuing study to improve labor-management legislation in the light of experience and changing conditions."

Throughout America wage earners are thinking for themselves and they will vote—not as someone has told them to vote—they will vote as their common sense dictates and in the best interests of their families, their homes and our country as a whole.

On Tuesday, vote as your conscience dictates.

Construction crews rush two new Feather River power plants

A sixteen-mile stretch of the Feather River will soon be turning out 270,000 new electrical horsepower for Northern and Central California. Two new dams, two new powerhouses and tunneling are already well underway...and when they are completed, still more waterpower will be harnessed.

Map shows location of the two new plants—Rock Creek and Cresta . . . along with three already built. A system of several dams and powerhouses like this one is an extremely efficient power producer and helps conserve water for irrigation.

Two of our biggest water tunnels are part of the new construction . . . 10½ miles of tunnels large enough for a double track railroad. We're going ahead full speed, and the project, begun in 1946, will begin delivering power next fall.

for the record

These two new dams and powerhouses will generate enough power to light 2 million 100-watt light bulbs.

But they're only part of a giant power-building program that will step up P.G. and E. capacity nearly 2 million horsepower.

This program—largest in America—has created 6,000 new jobs.

Work never stops on our power-building program

The 1949 FRAZER

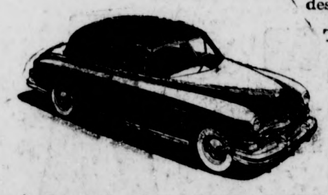

Trailblazer-of cars to come!

Once in a blue moon the stylists and engineers outdo themselves. They create a car that goes beyond today and sets the pattern for cars of the future.

This is what they have done with the FRAZER for 1949!

Low, sleek and *differently* handsome it *is* the trailblazer in style of cars to come. Its exclusive colors and fabrics have made the world's leading fashion designers fall in love with it. They call it "the dream car".

The same car, the FRAZER for 1949, has even won the hard-to-win hearts of the test drivers who must relentlessly punish a car mile after mile for weeks on end. They say the Frazer makes such driving no punishment for them. Its driving ease and riding comfort "make 600 miles a day a breeze," they say.

There's a thrill waiting for you at your dealer's today. With 100 new features, improvements and refinements, the 1949 FRAZER is ahead of its time . . . *out front*—trailblazing the way for all the cars to come. First to break clean and scrap tradition, the cars from Willow Run have done it again. Because unlike other "new" cars built since the war, they've road-proved their dependability—2 billion miles worth! Value-proved! To a quarter million justly proud owners. See and drive the new FRAZER *now!* It's at your dealer's. Kaiser-Frazer Corporation, Willow Run, Michigan

NEWS FROM THE SCHOOLS

CROCKER

The eighth grade unit, "Citizenship & Democracy," which is actually a study of government—local, state, and national—is being activated and illustrated by the H8 grade of Crocker School. A large mural on "Social Democracy in the United States," in which many class members are working, will not only explain but provide visual aid to the participants on the development of this theme. Supplementing this mural is a fourteen-yard "movie strip," in which the remainder of the class are engaging, entitled "Framework of American Democracy." This class "movie" is being produced in technicolor by the individual students! These two activities are affording ample opportunity for curriculum integration in not only the basic academic subjects but the arts as well. The language arts, social sciences, social attitudes, and opportunities for discussion and self-criticism are the many educational advantages to be realized at the culmination of this area of experience.

For the third consecutive week, the prospective graduates have been displaying the Thrift Banner in their room, for having had the greatest number of depositors. Fifty-nine per cent of the students enrolled made deposits in the school savings. Plans are under way to organize room tellers, so that all banking in the school will be taken care of by a student from each class, who will be supervised by his teacher.

Regretfully, the H8 students bid farewell to one of their classmates, Mary Melton, who left for South America with her parents. Dad Melton is the famous Cliff Melton of the Seals. Mary is looking forward to a very great experience in living in South America. Miss Melton has promised to keep her classmates informed of her many and varied experiences, and hopes to return to Daly City in February.

Representative democracy played a functional part in the experience of the Crocker student body as they voted for their team name for interdistrict recreational games. The "Crocker Coyotes" was chosen by the student body. As further incentive for the team, the executive board added another article to the school constitution, which provides for the "semi-annual election of cheer leaders." Cheer leaders for this fall term are Jean Eliasen, Arleen Pool, Louis Cortopassi, and Leon Branton.

Jefferson school district will be well represented in San Mateo county by a float depicting a scene of early California. The padre will be portrayed by Ronald Dickson; an Indian, Louis Cortopassi; a Spanish dancer, Ann Choroski, and singers, Lorraine Bergstrom, Pat Kirby, Arleen Pool, Norma Van Der Werff, Gertrude Runge, Lois Pera, Heather Bridges, Ida Pera, Shirley Filippo, Betty Miller, Wilma Parsolonis and Phyllis Rather. Accompanying her fellow students on the accordion will be Carol Clarke.

In their imaginary trip through Latin America, part of the social science unit, students of the H6-L6 grade are learning the scientific as well as the factual knowledge in connection with life in the jungle and on a banana plantation of Central America.

An interesting exhibit of a cultural nature has attracted the attention of many Crocker students. The L6 have a display of silk screen pictures of the University of California campus, done by the noted Chinese artist, Chiura Obata.

Cheering crowds are watching the handball single playoffs on the school grounds during recess and lunch. The football season for Crocker Coyotes began with an opening game with the Woodrow Wildcats, as the opponents. There has been an enthusiastic turnout.

WOODROW WILSON

The H2 and L3 have been learning about how food was obtained long ago and how we get food today. In comparison, long ago there were more people involved in the production of food. Today we have machines to help the farmer, baker, and dairyman whereas long ago they had none.

The pupils of the L3 and H3 have decided they can learn many things they did not know by taking a special look around themselves. One day they drew a picture of their school building. Later they all took a good look at their school building and the surrounding grounds; they decided their first picture was not the school building at all. Their second picture was more realistic than their first.

The members of the third grade are starting their social studies unit with much enthusiasm. They are studying "Services of the Community" this term. They are beginning a frieze showing stores and departments necessary in a typical city. Their frieze will depict Mission street.

The L4 has been learning to place words in alphabetical order. This is important in learning the use of the dictionary. Members of the class have been giving talks before their classmates, practicing subject selection, word usage, and ability to speak clearly before their classmates. Many children gave interesting talks about their summer vacations.

I Wonder

I wonder, I wonder if they ever thought,
Of you and me.
I mean the Pilgrims who were so glad on
Their first Thanksgiving Eve.
And I wonder if they ever thought
Of all the years to come
Of the cars and buses and airplanes with
Their constant hum.
I often wonder.

The above poem was written by Robert Galindo of the H4 with the help of Mrs. Zenovich's class.

The fifth grade boys and girls used their new water colors for the first time during art period Friday afternoon. They painted pictures of cat-tails.

Jerry Moore is a new student in Room 11. He transferred from Crocker School.

The H5 and L6 have just completed an examination in social studies.

The students of the L7 have been studying the natural barriers that have protected China from their invaders. Only in the north could large bodies of people cross into China. There, however, the Chinese built the Great Wall about two thousand years ago to keep out the nomad tribes.

The students of the H6 grade are studying about the Portuguese settlement in Brazil. Brazil was discovered by Cabral whose ship, bound for India by route around Africa, was blown far westward to the coast of Brazil. Brazil is the only nation in South America where the majority of the people do not speak Spanish.

The H7 grade is studying the air and its various ingredients. Oxygen was studied by itself because of its importance to our living.

The L8 is studying the relationship of living things to each other.

On this 12 day of October in the year one thousand nine hundred and forty-eight before me, BERTHA RIESE ADLER a Notary Public in and for the City and County of San Francisco, State of California, residing therein, duly commissioned and sworn, personally appeared Michael S. Jacobs and Abram J. Miller, as General Partners and Lewis A. Schaffer, as Limited Partner known to me to be one of the partners of the partnership that executed the within instrument, and acknowledged to me that such partnership executed the same.

IN WITNESS WHEREOF I have hereunto set my hand and affixed my official seal, in the City and County of San Francisco the day and year in this certificate first above written.

(SEAL)
BERTHA RIESE ADLER
Notary Public in and for the City and County of San Francisco, State of California.

My commission expires September 11, 1950.

(Pub. Oct. 21, 28; Nov. 4, 11, 18, 1948.)

Don't Look Now, But . . .

Pedestrian Relief at Last—

Electrical science is coming to the relief of the long-suffering pedestrian in at least one department of annoyance. In the not too far-off future he may be able to cross the street in peace, and with the lights, mind you. Without all those puffing, straining motor demons creeping up on him with the unmistakable, if tacit, threat to "run the ——— slow-poke down" if he doesn't set some sort of track record.

The instrument of relief is an electric device that automatically locks the brakes once the car is at a dead halt. Then, with the ignition on and the accelerator at ease, an electrical circuit energizes valves that trap the hydraulic fluid in the wheel-brake cylinders, thus locking the brakes. A push on the accelerator unlocks them. The system doesn't work when the ignition is off. It also is designed especially for cars with automatic transmissions, and can be installed in less than an hour.

Besides aiding the pedestrian, it might prevent a lot of arguments and blood pressure cases, such as when a bumper bumps another in these hectic traffic days.

French Fryer for the Home—

An electric French fryer, described as the first unit of its kind for the home, is announced. It is designed to heat three pounds of oil to a French-frying temperature of 380 degrees in 15 minutes.

Magic's Most Powerful Eye—

An electric eye that can see a thousand feet, nearly four times as far as present equipment, has been developed to expand such robot activities as the counting of cars on highways, operation of burglar and fire alarms and the patrolling of prison yards and other restricted areas.

Electric Silverware Cleaner—

A battery-powered appliance no larger than a fountain pen, which can detarnish sterling or plated silverware in seconds, is available. The housewife simply holds the tip of the device against the silver while it is immersed in water containing a pinch of table salt.

One Unit: 7 Electric Outlets—

The need for long extension electrical cords is eliminated by pre-wired molding that provides convenience outlets where needed. Available are units three feet long with outlets every six inches and six-foot units with outlets every eighteen inches.

Switch Test: 2,200 Switches—

A machine that turns switches on and off 2,200 times a minute has been devised by an electrical manufacturing company to test the tiny switches used in aircraft, vending machines, household appliances and a wide variety of other electrical equipment.

Automatic 'Quiet, Please'—

Speaking of switches, there's an automatic one that will save you many a step every time the telephone rings. It shuts off the radio when you raise the receiver, turns it on again when the conversation ends. It also can be used for the automatic silencing of the vacuum cleaner, food mixer and other appliances during phone calls.

New Arrivals

To the wife of Richard James Cress, Colma, October 13, a daughter.

To the wife of Francis Marshall Gerhow, 172 Templeton avenue, October 15, a daughter.

To the wife of Herbert Frank Kelso, Colma, October 14, a son.

Warped Door

Straighten a warped door by putting a third hinge midway between those already on the door.

Industrial Accidents

Between 80 and 90 per cent of all industrial accidents are caused by unsafe practices, while unsafe conditions are responsible for only 10 to 20 per cent. Estimates show that 16,000 to 19,000 persons are killed each year as a result of occupational accidents.

GEROLD'S LIQUOR NEW STORE

With a fine, up-to-date stock that matches the modern trend of the store design, Gerold's Liquor, at 6379 Mission street near the Daly City Library, was open for business this week.

Hundreds of visitors had called prior to the opening, merely to observe the new features in lighting and display, and hundreds more were on tap to take advantage of opening specials.

(Paid Political Adv.)

Ex-Tug Boat Skipper Locates On School St.

A new business on School street will soon be under way, according to Gene Bried, who has moved in at 178 School street, next to Richard J. Opperman's plumbing shop.

Bried will operate the F. A. Rice Rug Cleaning Company here, after being in that business in San Francisco for some time.

During the war, Bried was captain of a sea-going tug operating out of San Francisco Port of Embarkation.

Well Done! 'Dick'

Wild, Wild West---Madison Square Garden Style

Sideliners and contestants scramble to climb the corral fence as a frisky bronco acts up a little too close for comfort. The horse, Nicotine, throws Harry Fricke during the saddle bronco riding contest at the annual rodeo in New York's Madison Square Garden. Fricke was injured by the fall.

WELCOME TO DALY CITY

New Families moving into Daly City recently include:

L. K. Clark, 6596-B Mission street.

Joseph L. Inderbitzen, 133 Parkview avenue.

James G. Carlisle, 930 Brunswick street..

Gerold Colombi, 6379 Mission street.

Edward G. Bauc, 74 Tallwood drive.

Melvin Johnson, 24 Goethe street.

George Hinebaugh, 6634 Mission street.

Christopher Manescaleo, 178 Santa Cruz avenue.

KOKO THE CLOWN COMING TO TOWN

With the gala festivities of the Portola Festival, a bewiskered or costumed resident has ceased to be an object of curiosity.

Adding even a little more color to this scene will be Koko the famous Pillsbury clown, who will put in his appearance in Daly City Saturday.

Just when or where he will appear or how he will be dressed is still a mystery. All that is known is that he will wind up his tour at Lucca's Market, 7310 Mission street.

Presbyterian Ladies Take Chinatown Tour

Effusing the new with the old, 10 members of Circle No. 2, Grace Presbyterian Church toured Chinatown last Friday, visiting such places as the Cameron House and the Chinese Presbyterian Church. They also watched the erection of the orchid gateway on Grant avenue in preparation for the Portola Festival. The ladies wound up their tour with a Chinese lunch at the Cathay House.

Ladies attending were Mesdames William Harberts, L. Fraier, G. Benofsky, M. Ross, M. Becker, A. Sea, H. Seiler, A. Strohman, A. Finchman, H. King.

Crop Princess

Two pretty sights at the Los Angeles County Fair are prize samples of southern California's multi-million-dollar vegetable crop and Crop Princess Lila Kiser. She represents the major crops that make the district one of the world's richest farming areas.

Serra Mothers Plan Architectural Tour, Floral Demonstration

Members of the Serra Mothers Auxiliary will get some tips on flower arranging and corsage making from Mrs. Jules Di Cicco, San Mateo florist, who will speak at their meeting at 1:15 p.m. October 20.

Junior mothers will be hostesses at a tea at the conclusion of the meeting.

A tour of four homes of varying architecture in Hillsborough and San Mateo has been arranged by Serra Mothers for November 8. Tea will be served at the last home visited. Mrs. Thomas Duffy of San Mateo is in charge of tickets, which are limited to 500. Anyone wishing tickets should phone Mrs. D fy at DI 4-0956 or Mrs. John L etz, DI 3-1795.

Co-chairmen of the tour Mrs. Merl McHenry and Mrs. Pe Bradley. Proceeds will go to Serra high school.

(Paid Political Adv.)

To the wife of William Jam Lillis, 367 Willits street, Daly C October 3, a daughter.

To the wife of James Mo Rosenbledt, Colma, October 8 son.

Swedish Ring And Western Tap Dance Entertain PTA's

A Swedish Ring dance by members of the fourth and fifth grade at Pershing school provided part of the entertainment for the PTA's Father night held at the Jefferson High school Tuesday night.

Children participating were Robert Giomi, Judy Fetta, Bruce Freeland, Lou Ann Eliasen, Buster Lauffenburger, Wendy Lee Wilson, George Bullwinkel, Sandra Taylor, Charles Durham, Carol Morris, Don Parshall, Jeanette Lantan, Eddy Lupton, Mary Lou Madison, Darrel Hutchison, Edith Prescott, Tom Tringali, Billy Benofsky, Mary Ann Grado, Michael Traxler, Patsy Michelsen, Erleen Bergeron, Mervin Nenstiel, and Adalia Bautista. Accompanying them was Sally Sue Engstrom.

The second act sponsored by the General Pershing P.T.A. for their part in the program was a western tap dance by the Bunny Carroll dancers of Daly City. Participating were Diana Peterson, Mary Ann Gensel, Lee Simmons, Carol Naughton, Edna Lee Fittro, Mardell Fox, Paula Mathers, Irene Kengingstone, and Judith Kane.

Eagles Auxiliary Promotes Events

Four new candidates were initiated into the Ladies Auxiliary of the Eagles, Colma - Vista Grande Aerie 1848, at a formal candlelight ceremony Tuesday. Alice Matas, Mary Kimler, Elenora Hutchinson and Carol Schoning are the new members.

Members of the San Mateo Eagles Auxiliary, Aerie No. 440, were guests during the evening. They included Past President Adella Fischer, Conductress Mary McCutcheon and Rita Planting.

Refreshments were served after the meeting by Chairman Agatha Heyden and her committee which included Marie Wilkes, Virginia Patton, Rose Demino, Loretta Peters, Peggy Reed, Charlotte Ward, Harriet Meinzer, Ellen Bray and Freida Pedersen.

The ladies of the auxiliary participated in the Portola parade by entering a float with a Spanish motif, depicting a group of pretty senoritas and a troubadour. The ladies drill team, dressed in cowgirl costumes, followed the float. The float was decorated by members of both the Eagles and Auxiliary.

Future activities of the Auxiliary will include the regular meeting October 26 and a turkey whist in the afternoon November 16. Both affairs will be held at the Eagles hall.

A special meeting was held October 10 with Virginia Lagomarsino as hostess. The ladies completed arrangements for the bazaar which will be held October 29 and 30 at the Eagles hall. The affair will be open Friday afternoon and evening and will close Saturday afternoon.

OLPH Mothers Club Plans Hallowe'en Hop

Dances given by the Mothers' Club of Our Lady of Perpetual Help School have proved so popular that a Hallowe'en dance will be sponsored October 23, one week before the popular witch-ridden night.

Dancing will be from 9 p.m. to 12:30 a.m. in the school auditorium at 80 Wellington avenue with music by Gene del Prete's orchestra. Refreshments will be available. Admission will be 75 cents.

In charge of the dance are Mrs. Anna Sutter, Mrs. Emily Garcia, Mrs. Victor Gonzales, Mrs. Teena Martin, Mrs. R. Burns, Mrs. Marion Balestreri, Mrs. Isabella Liberti, Mrs. Josephine Lamendola, Mrs. Mildred Barone, Mrs. Jean Denning, Mrs. Valetta Ennis, Mrs. Mary Jane Thiebaut, Mrs. Veronica Whalen, and Mrs. Tielman.

JEFF HIGH VARIETIES FEATURES PROGRAM OF SKETCHES, TALENT

On stage, everyone!

It's almost time for the "Jeff Hi Varieties of 1948," a teen-age talent show in which a cast of 55 will participate in a variety of musical numbers and dramatic sketches. Curtain time is 8 p.m. November 12 at the Jefferson high school auditorium.

Directed by Eunice Seaton, dramatic teacher at Jefferson, the varieties will be climaxed by a colorful gypsy number, "Romany Nites." Featured in the act will be Joan Hopman, Arline Anderson, Helen Cooper, Virginia Marsh, Priscilla Green, Sharon Storch, Betty Martin, Bob Lynch, Leroy Gonzales, Rosalie Musante, Tova Hollingsworth, and Bill Denton.

An expertly trained group of sixteen girls will present a modern dance number under the direction of Elaine Parkhurst, the instructor responsible for the dance numbers in the recently successful aquacade.

Starring in dramatic sketches will be Virginia Marsh, Art Lauffenburger, Jim Wright, Roy Hunter, John Sweet, and Bob Donnelly.

Scenery for the show is being designed under the direction of Louise Baciocco, art instructor. Staging of the production is under the supervision of Durant Mosely of the high school faculty.

Admission is 50 cents.

1½ Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year.

Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employes.

They want 48 hours pay for 40 hours work—in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25c an hour for every employe!

You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give *one million employes an annual raise which would average $1500 per employe!*

The total cost of this would be no less than 1½ billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased costs are forced on the railroads, they must have still further rate and fare increases.

Demands Unreasonable

These employes have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48c an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10c an hour.

Railroads Run for Everybody—Not Employes Alone

The railroad industry must serve not one but many groups—producers, businessmen, shippers, passengers and the general public—night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. *Everybody who enters railroad employment knows this.*

Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. *But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!*

SHAKES HEADED FOR CALIFORNIA

Northern California will have etween 400 and 500 earthquakes uring the next year—or that's hat seismologists of the Univerty of California expect.

But don't be alarmed. The hakes won't be bad—or at least, n the basis of previous records, ey shouldn't be.

To chart earthquakes in the orthern part of the State the niversity recently established a ain of eight new and modern ations at Mt. Hamilton, Stanrd University, University of San rancisco, Ferndale in Humboldt ounty, Fresno State College, umboldt State College and Minal, in Lassen Volcanic National ark. Eventually there will be an installation at Reno.

The system centers on the Berkeley station where the seismograph is installed in the basement of a building and connected electrically to the recording instrument.

State Civil Service Needs New Workers

Eight accounting and auditing examinations to fill nearly 200 civil service jobs throughout the State have been scheduled by the State Personnel Board. Starting salaries range from $200 to $310 with November 13 the deadline for filing applications.

A variety of other positions are also open. Details and application forms may be obtained at room 107, State building, San Francisco.

Ex-Howser Aide In Ferrell's Office

Leo T. Englert, jr., for two years a deputy attorney general in the office of State Attorney General Fred N. Howser until his resignation this month, last week was appointed as a criminal deputy district attorney for San Mateo county by District Attorney Gilbert D. Ferrell.

Englert left his state position of his own volition through desire to make a change, Ferrell said, and was chosen for the county job over a host of applicants. Englert resides in San Carlos.

South San Francisco To Vote On Removing C. S. For Dept. Heads

South San Francisco voters will vote on Nov. 2 on a proposition to remove department heads in city employment from the jurisdiction of civil service rules.

The move was decided on in order to make top city employees more directly responsive to the will of elected municipal officers.

Department heads who will be affected are:

Chief of Police, Fire Chief, License Collector, Auditor, Tax Collector, Librarian, City Engineer, Supt. of Streets, Supt, of Parks, Supt. of Recreation, Building Inspector, City Attorney and City Judge.

5 Million Voters Eligible In State

An increase of nearly 30 per cent since 1944, and more than 8 per cent since the June primary elections, in the number of California voters registering for the general elections is reported by Secretary of State Frank M. Jordan.

Jordan reported that 5,062,089 California voters are eligible to vote on Nov. 2. Democrats accounted for 57.14 per cent, or 2,892,270, with Republicans registering 37.7 per cent ,or 1,908,208 voters.

Largest registration was Los Angeles County, with a total of 2,122,858. The smallest, Alpine county, has only 178 voters San Mateo County reported 105,089 voters and San Francisco, 462,836.

Letter Writing Week Announced By Fixa

John F. Fixa, acting postmaster of San Francisco, announced this week as National Letter Writing week, and backed it up with a proclamation issued by San Francisco's Mayor Elmer E. Robinson.

Fixa asked everyone to write letters to friends and new or old acquaintances, wherever they may be, during the week.

20,000 Lights

More than 20,000 varicolored lights, flags and streamers were strung along San Francisco,s Market Street for the Portola Festival, transforming it into a veritable wonderland of color and enchantment.

Worshipped Cows

Rock paintings made in 9000 B.C. and discovered in the Libyan desert of Africa show tribesmen worshiping cows.

Westlake Furniture Opening Draws Host Of Early Visitors

Upwards of a thousand people walked through the three display floors of the brand new Westlake Furniture building next to Jefferson High school Friday and Saturday during the grand opening of the store.

People who examined the 14,000 square feet of home furnishing display, were pleased as punch with the general display and special set-ups for babies' furnishings, bedroom sets, dining room, kitchen and living room lay-outs and the complete line of appliances. Westlake is open until 9 p.m. on Fridays.

Dino Ruggeri, Guido Brocchini and Dominic D'Augusta, proprietors of Westlake Furniture, distributed countless gardenias to feminine visitors, and express their thanks to the people of Daly City and vicinity for the splendid showing on the opening.

Paint Furnace Handle

If the handles of furnaces are painted a bright yellow, they will be easier to find in a dimly lighted basement, and the possibility of burns can be diminished.

TEACHER'S PAINTING WINS EXHIBIT AWARD

Miss Louise Baciocco of Collins avenue, Colma, received an honorable mention for her painting "Lily" which was entered in the Twelfth Annual Water Color Exhibit of the San Francisco Art Association, a nationwide exhibition.

Miss Baciocco, art teacher at Jefferson high, also entered another picture, "The Museum."

The pictures were judged Tuesday at a preview gathering of artists, art lovers and patrons. The show opened to the public Wednesday.

ONE DEAD, FOUR INJURED IN DALY CITY ACCIDENTS

Donald W. Scherbarth, 50 Garwood drive, died Monday from injuries received when he was struck by an automobile Saturday on Mission street.

The car was driven by William Passaglia, 799 Hillside boulevard. Dagney Edwards, also of the Garwood address, received minor injuries in the accident. No charge was made against Passaglia.

Four other Daly City persons were injured last week when a bus and automobile collided on Mission street. The car was driven by William F. McGinnis, Rt. 1, Box 415 Colma. Injured were Mr. and Mrs. Rocca Cappola, 281 San Jose avenue, and Louis McGinnis, of Rt. 1, Box 414 Colma. Neither driver was held.

Funeral services for Mr. Scherbarth were held this morning at W. C. Lasswell and Co. Mortuary with burial at the National cemetery in San Bruno.

Surviving is a sister, Mrs. Hershel Thompson of Washington State.

HI-LITES AT S. F. CITY COLLEGE

By Frank Galo

Today marks Homecoming Day at City College. Preceded by last night's colorful Barn Dance, festivities go into their second day when a rally will be held in the college auditorium. Campus organizations will parade animal creations with a prize going to the outfit presenting the best animal. Then it's to Kezar Stadium for the Damon Runyon Memorial Game with San Mateo JC. All proceeds will be forwarded to the Cancer Fund. During half-time ceremonies, the Homecoming Queen will be introduced.

Block SF

The college's athletic society is the first to be honored in a series of campus organizations write-ups. Sponsored by Ralph Hillsman and led by their able president, Al Athanasopoulus, the Block Society is easily the most popular campus outfit. Only the top ranking athletes belong to it. The Society is primarily a school service organization with its chief aim to build up school spirit and promote interest in athletics. At present the Block SF is presenting weekly athletic films for the enjoyment of the student body.

Ably assisting the extremely popular Athanasopoulus is Terry McKeon, vice president and basketball star; Ernie Domecus, secretary and baseball ace; Jim Caldwell, treasurer and the number one player in last year's basketball team, and Bill Kenna, sergeant-at-arms and baseball slugger. Many thanks to Mr. Athans (etc.) for the above information. Al, ex-Missionite, is the basketball team's morale builder besides a good player. Not to be forgotten is their likeable sponsor, Ralph Hillsman.

Football

A hustling Ram eleven will attempt to stretch their victory string to five straight wins when they clash with San Mateo JC. The Rams will have a tough time subduing the Blue and White boys although they are definite favorites. The Mateans are always at their best for this big game. The contest is scheduled for Kezar Stadium.

Coach Grover Klemmer will rely on the signal calling of Bob Toquinto for victory. Ollie Matson, who was used sparingly last week, is once more in tip-top condition. That just about means an automatic touchdown. In the line, stellar performances are expected from Don Morettini and Ray Poznekoff. The City College boys received a rude jolt when it was announced that their second string quarterback, deceptive Jack Marcus, was ruled ineligible because of professionalism. Inexperienced Al Neathercutt replaces Marcus.

Last week the Rams defeated Marin JC, 13-0, in a game marred by fisticuffs. Roy Georgi and Ollie Matson scored for the Rams while Toquinto converted. Ray Poznekoff's blocked punt set up the first touchdown.

Dis an' Dat

City College, Phi Beta Rho in particular, was saddened by the news that Dorothy Marie Stolaroff, ex-sorority leader for two semesters, was injured in an accident. The vivacious Miss Stolaroff graduated last June.

The Portola festival is officially pronounced Por-to-LA by City College students. This was arrived at when President A. J. Cloud did a lot of research work on the subject.

City College students are protesting the proposed street car fare hike. The cost of car tickets would rise from 50 cents to 80.

Final thought: Go to the San Mateo - SFCC game today. It's for a good cause—the Cancer Fund.

EAGLES SQUARE DANCE

Another old-fashioned square dance will be held at Eagles Hall, 3346 San Jose avenue, on Saturday, November 6. The square dances have been outstanding successes with members of the Colma-Vista Grande Aeria Eagles, and the group has developed its own hillbilly band for the occasion.

County Taxes

San Mateo county's tax rate for general county purposes for this fiscal is $2.26 per $100 of taxable valuation, compared with a $2.0098 rate for 1947-48 and a $1.2335 rate for 1941-42, according to a report by the California Taxpayers' association.

39 In County Get Induction Orders

Thirty-nine San Mateo young men have received orders from the county's two draft boards and will report for induction Tuesday morning at 45 B street, San Mateo

The group includes 21 men from northern San Mateo county, against 18 from the southern end.

The October quota includes men in the 23, 24 and 25 year-old groups. If any of the original draftees is unable to pass the physical requirements, a standby list of 100 has been classified, draft board officials said.

Miss Newsprint

Esther Williams, Hollywood amphibious star who has been named "Miss Newsprint of 1948" by the National Publishers Association.

College Men's Feet Bigger But Prettier

Maybe it comes from footing the bill so much, but anyway it appears that Joe College has prettier—although bigger—feet than Betty Co-ed.

This was disclosed in statistics released by Dr. Wilfred T. Robbins, director of the Student Health Service, Santa Barbara College, University of California, based on recent physical examinations of students.

Results showed that 12 per cent of the men had foot defects, compared with 29 per cent of the women students. Dr. Robbins explained that the males will probably continue to have healthier looking feet as long as members of the fair sex insist on cramping their feet into under-sized shoes.

In other respects, however, the females had the edge. Only 10 per cent of the women students had dental defects, the exams showed, against 26 per cent for the men. Of the girls, 32 per cent had defective vision, compared with 35 per cent of the men. No cases of color blindness were found among the co-eds, while 6 per cent of the men students had this defect.

Security Benefits For Aged Are Available

Some bay area residents are losing monthly social security benefits by failing to apply at Room 159, Federal Office Building, according to a report by that office.

Persons over 65 years of age who have worked in employment covered by the Social Security Act, and widows or survivors of deceased wage earners should telephone KL 2-2350 for further information, the report said.

Make-Your-Own-Pizza—A-La-American

Something the back-to-school crowd will love is Make-Your-Own Pizza. Have the ingredients handy in the kitchen and the teensters can cook and eat to their hearts-are-in-their-stomachs content. You'll need English muffins or rolls, canned tomato sauce, butter or margarine and, if desired, anchovies.

PIZZA

(from American kitchens)

3 English muffins—or big round rolls or biscuits
Butter or margarine
⅛ to ¼ lb. snappy cheese
1 (8 oz.) can tomato sauce
1 small tin anchovies

Break or cut muffins, rolls, or biscuits into halves. Spread with butter or margarine and toast. Cover each with thin slices of cheese; next a generous spoonful of tomato sauce. Top with a rolled anchovy. Grill under low heat or in very hot oven until cheese melts. Serve piping hot. Serves 4.

Preventing Cattle Bloat

To keep bloating in check, hungry cows should never be turned into a flush clover pasture without first feeding them all the nutritious hay they will eat just before turning into pasture. This can be accomplished by taking cattle off pasture early in evening and feeding hay next morning before allowing on pasture.

New Linings

If the old lining must be ripped out, take care not to stretch or tear it, because the pieces when pressed will serve as the pattern. Attach the new lining loosely, as in a new coat, so as not to draw up the coat.

Fewer Small Farms

There were fewer small farms in 1945 than in 1940; about 250,000 fewer with less than 180 acres.

News Notes Of S. M. Jaysee

The San Mateo Junior College Bulldog eleven, beaten last week end by Sacramento Junior College, 26-7 in league play, will continue the conference schedule by playing San Francisco City College this Friday. The game will start at 2 p.m. in Kezar stadium.

Basketball made its fall start at the junior college with Coach Ray Balsley having 40 men out for the opening practice. Among the players are several of the 1947 championship group, although many of that winning group were lost by graduation.

Coach E. H. Bashor, whose tennis team won honors in state and national competition last year, himself won a national title when, with his teammate, he took the national hardcourt veterans doubles championship in San Francisco. The junior college students have set national marks in junior college track events, but this is the first time any local players have won national tennis championships.

"Death Takes a Holiday" will be the play to be presented by the junior college Players Club in December, with Harry Keats of the faculty as the director.

Five student officers represented the junior college at an officers meeting recently held at the College of Marin, are preparing a program for the state meeting that will come next month.

The Teton National Park will be the topic of an illustrated lecture Monday evening at the junior college auditorium with C. Edward Graves of Carmel as guest speaker. The program, opening at 7:30 p.m., is free.

"All My Sons," the first production of the fall season for the Peninsula Little Theatre, is now playing in the junior college auditorium with productions this Friday and Saturday evenings. Tickets may be purchased at the door.

Effects of Lime

Lime "sweetens" the land as it helps phosphates, nitrogen, potash and other nutrients to do their work of building up the soil. Improving the soil improves the quality of the food and feed it produces. Forage production, for example, has been reported to have increased 67 per cent from the application of limestone and triple superphosphate. At the same time, the protein content of the forage increased more than 40 per cent.

Precaution for Motorists

Motorists leaving flooded areas or driving through heavy rainstorms should test their brakes before resuming normal driving speeds, as wet brakebands often render brakes partially or totally useless.

Roberson House Shrine

Claymont, Del., preserves the Roberson house, where Washington stayed, and where Light Horse Harry Lee was captured by the British in 1778.

Community Washing Machines

There are some 20,000 self-service coin operated washers in New York City apartment houses. Permits are required for each machine, and health inspectors see that owners — mostly operating companies and not landlords—furnish adequate supplies of hot water.

Safety Rule for Swimming

A good safety rule is always to swim with a partner. Among the fast-moving, noisy mass of people at a large pool or beach, a lifeguard may not be able to hear a cry for help or to spot a sinking bather. A swimmer and his buddy can look out for each other in such cases.

Battery Check

An indicator for electric industrial trucks warns the operator by means of a jeweled ruby light when the battery is approaching discharge. The instrument was developed to insure longer battery life and more dependable truck operation.

Meeting, Colma Vista Grande Aerie Auxiliary No. 1848, FOE, 3346 San Jose avenue.

Where To Go, What To See, What To Do

The coming week end finds the heavy season of fall fairs, harvest festivals, and other celebrations tapering off throughout the State. Centennial, Portola and similar fiestas fill an important place in the calendar of events scheduled:

Portola Festival week in San Francisco, through October 24

Pacific Coast Quarter Horse Association 4th Annual Fall Show, Salinas, October 22-24

Riverdale 49-er Camp & Centennial Celebration, Riverdale, Fresno county, October 22-23

All-Arabian Horse Show, Los Angeles, October 24

Covered Wagon Days, San Bernardino, October 21-23

All-Western Days, El Cajon, October 23-24

SAN FRANCISCO: Portola Festival Week (October 17-24) events will be in full swing with the Festival Pageant given nightly through Friday at the Cow Palace. Free entertainment at Union Square, Civic Center and Civic Auditorium nightly through Friday. Saturday night at 8 the Portola Grand Carnival Illuminated Parade will travel Market Street from the Ferry Building to Civic Center. Following the parade free street dancing on Market street with bands stationed at corners from Fourth to Fulton, strolling musicians, etc., and the Grand Carnival Masked Ball at Civic Auditorium. Sunday's program includes a folk dancing festival at Civic Auditorium, swimming and diving championship at Fleishhacker Pool, Portola Regatta on San Francisco Bay.

NATIONAL PRESS BUILDING
WASHINGTON, D. C.

By Anne Gesde

The last word in shopping comfort comes from a Houston supermarket where self-service customers can sit in a chair and pick their food from a moving belt passing before them.

* * *

Remember to save your old summer nylons. Then when cool weather comes you'll be glad, because they can be dyed the lovely deeper colors, the "inky" tones, with all-purpose dye.

* * *

Close-toe shoes are outselling the popular open-toe styles in the high price lines, we hear. But nothing replaces the well-kept shoe, so remember to keep all your footwear well shined and brushed.

* * *

If you like that tender and so good member of the squash family, zucchini, try preparing this way: slice and saute in vitaminized margarine in a skillet with cubed tomatoes and diced onion.

* * *

To remove onion odor from hands, rub with salt immediately. Or perhaps you'll want one of those choppers that's on the market now. It's a covered glass cup with inside chopper. Prevents "weeps" and finger stains.

* * *

Enjoy that Sunday breakfast! And to get away from the usual bacon and eggs team, add baked tomatoes to the menu. Just cut off the tops and season with salt and pepper, a bit of vitaminized margarine and they'll bake while you're doing the rest.

HOUSING EXPEDITER TELLS BUILDERS OF VETS PRIORITY ON NEW HOUSES

Builders and veterans were reminded that Veterans of World War II or their families must still be given first chance to rent or buy new housing construction for rental or sale, in an announcement made by the regional Housing Expediter's Office.

Disclosing that a new group of field agents were on the job to check on violations of this law, David N. Jordan, district agent in charge of veterans affairs, said that the veterans' preference provisions apply to all houses and apartments completed after June 30, 1947 and prior to April 1, 1949, other than those built for owner occupancy.

Jordan explained that, besides requiring that veterans be given exclusive rights of purchase or rent during the period of construction and for at least 30 days thereafter, the law sets forth certain other steps which builders must take.

For example, builders are required to post a sign in front of each structure showing the price or rent cost and the fact the house is being offered exclusively to veterans and must publicly advertise such housing accommodations in a newspaper of general circulation in the community.

Violation, Jordan said, is a federal offense subject to both fine and imprisonment.

Asparagus Stalks

The flavor of the butt ends of the asparagus stalks is not sufficiently good to warrant canning them. The more tender portions, however, when cooked in the boiling water left over from the canning process are satisfactory for immediate serving or for soup. Overmature stalks are also good for soup

Luncheon Dish

Dried beef may be torn into small pieces, sauteed in butter or margarine and then added to a sauce made of condensed mushroom soup and milk. Served on toast or in a noodle ring it makes an excellent luncheon dish.

Glycerine Coatings

Glycerine, which until recently, had seldom been seriously considered in connection with the products of the paint, varnish and lacquer industry, has become an important factor in the manufacture of protective and decorative coatings. This is due to the extensive use of glycerine in the manufacture of synthetic resins, including ester gums, which, in turn are used in the formulation of important coatings, many of them highly specialized.

Devised Spectacles

Spectacles were first devised about 1285 by Salvino Armati, a young nobleman of Florence, Italy. Some investigators have asserted that he was assisted in his work by Alessandro Spina, a Dominican monk of Pisa. However, the monastery archives declare that Spina learned from another the art of making spectacles.

Smallest City Park

What is possibly the smallest city park in the United States is located, according to the National Automobile Club, in the middle of North Summer Street in Salem, Oregon. Established to preserve a Sequoia tree that was planted by an Oregon pioneer, the park is just large enouge to accommodate the tree and may have to be enlarged as the tree grows.

A False Economy

From the early days of the automobile, manufactureers and dealers have pointed out to car owners that it is a false economy to put an old inner tube in a new tire. This, declares the National Automobile Club, is still true, although many a car owner attempts to save the small sum represented in the purchase of a new inner tube to go with the new tire.

Inspection Stamp

The familiar round purple inspection stamp on meat has been used by the department of agriculture for 40 years.

Game Refuge

Red Lake game refuge and hunting grounds, comprising 434,580 acres in Beltrami and Lake of the Woods counties, is the largest game refuge in operation in Minnesota. Here are found almost all species of Minnesota game life and two species, the elk and the caribou, not to be found in any other part of the state.

Use Old Felt

When you are cleaning and sorting clothes, don't discard your old felt hats. Save them, as they can be useful. Cut to shape and use the felt for coasters or vase pads or for any other object that always scratches the table. Be sure colors are moisture proof.

Storage of Foods

Raisins, rice, powdered sugar, brown sugar, navy beans, and other such foods which are kept on hand in small quantities are most easily stored in fruit jars; thus the contents can be seen at a glance. Also, dry foods are kept dry and moist food moist.

Commercial Penicillin

According to a joint statement made by the United States Public Health service, the United States Food and Drug administration and the committee on medical research of the OSRD, commercial penicillin "is not a single substance, but a mixture of several," identified by the letters G, X, F and K. Much commercial penicillin contains K, which is said to be "relatively inefficacious against the several infections against which it has been experimentally studied," because of the ease with which it is destroyed in the body.

Bottle Delivery

When milk was first delivered in bottles most people were so pleased with the improvement that the lack of complete protection was overlooked. Then it was realized that the unprotected lip was a source of possible contamination. Now most boards of health require hoods as well as pasteboard caps.

Improved Grass Variety

Mandan wild rye, an improved variety of native Canada wild rye, is winter hardy, an exceptionally high yielder of seed and forage. Principal grass virtues are its ease of establishment, rapid growth and high seed and forage yield. It is useful on sandy soils where a fast-growing cover crop is needed.

"Keep Homefires Burning"

The Second American division entered the line on the Marne on June 4, 1918.

Green Skin

Little green men do not exist solely in nightmares. According to the Encyclopaedia Britannica, the complexions of the Punans, natives of Borneo, have a greenish hue because they never expose themselves to direct sunlight, but live perpetually in the half-light of the forest.

Presidential Omen

Neither political party in the 60-year period has reelected its candidate for the presidency immediately after losing an off-year election.

Old Shoe Store

Learned's shoe store is still doing business at the same old stand just off historic Dock square where it was founded in 1790.

TEST YOUR I. Q.

1. What is the difference between white and black pepper?
2. What is a gnu?

3. What famous painter obtained great inspiration from a bunch of grapes?
4. What type of musical instrument is a bombardan?
5. Which president was a scientific farmer, noted for his experimentation with soils and fertilizers?

Hangers for Garments

Every garment should be on a separate hanger. This keeps it in shape and avoids wrinkles. Hangers which are covered with a rough fabric will keep clothes from slipping and keep the shoulders in shape.

Sales Stimulant

Color as a sales stimulant cannot be overestimated, Raymond Lowey, celebrated industrial designer of everything from "lipsticks to locomotives," told the recent convention of the Painting and Decorating Contractors of America.

Good for Food

Did you know that dandelion is a good food crop? It is a hardy, cool-climate crop adapted to much the same conditions as kale and spinach. It will grow through winter if mulched over lightly, and produce greens very early in the spring

Answers to TEST YOUR I. Q.

1. White pepper is well-ripened black pepper.
2. It is an animal found in the heart of Africa. It has a head like an ox, the body and tail of a horse and the limbs of an antelope.
3. Titian is said to have always kept a cluster of grapes hanging in his studio as an example of beauty of form and line.
4. It is a deep-toned wind instrument of the double-reed family, predecessor of the bassoon.
5. Thomas Jefferson.

STRICTLY FRESH

A PARENTAL crusade is on in Maryland and Ohio to have schools concentrate more on readin', 'ritin' and 'rithmetic—three things that obviously have nothing to do with winning a $25,000 prize on a give-away show.

* * *

The average fisherman spends $100 a year on the sport. How much of that $100 is spent in fish markets is anybody's guess.

* * *

The new "Webster's Biographical Dictionary" tells us that Stalin is just the party name for the Soviet premier. His real name is Josef Vissarionovich Dzhugashvili. At least the headline writers are spared.

* * *

The Communist newspaper in Tokyo accused city officials of luring prospective fellow travelers from the party by offering free baths. Something new and different in purges!

* * *

Flagpole-sitting is again the fad. What some people won't do to get and stay high!

Must Be the Scenes

A person's temperature rises during attendance at a movie, according to recent physiology studies.

Food Storage

Light fades the colors of canned food making it less attractive and decreasing the vitamin content, specialists of the Agricultural Extension service point out. If foods are stored on light shelves an old window shade can be put in front of them to keep the light out. The shade can be raised or lowered to get supplies.

Child Care Tip

Here's a solution to the old problem of keeping a youngster covered at night: Sew two of his largest crib blankets together on both sides and at one end, forming a sleeping bag. Tuck baby in the bag first, then put on the other covers. If he kicks off the covers, he still has the protection of his sleeping bag.

Bleaching Fabrics

leaching may be done by using reliable bleaching agent and by owing the manufacturer's direc- s. Special care should be taken h delicate fabrics. Bleaching tion left in clothes continues its k. Therefore the amount used, temperature and the time uld be carefully controlled. Fab- which have been treated with aching agents should be thor- hly rinsed until all of the bleach been removed. Ordinarily, col- d fabrics should not be bleached. lorine solutions should not be d on silk or wool.

Honor Pathfinder

eorge Lathrop, driver on the fa- us Cheyenne - Deadwood stage- ch trail, is buried near the point astern Wyoming at which U. S. and the old line intersect. An ial monument marks the grave.

Make Paper by Hand

and paper making is still a siz- industry in Japan. A relatively dern machine can produce as ch paper in 20 minutes as one n can make in a year, but the d products are superior in ength and beauty.

Heat Breaks Down Egg

An egg is never better than just after it is laid and summer heat will rapidly start to break the egg down. Experiments conducted at the University of Delaware have shown that eggs left in the nest only four hours after being laid deteriorated considerably.

Speed of Ocean Waves

The greatest apparent speed of an ocean wave is about 27 miles per hour, according to the Encyclopaedia Britannica. Ocean waves reach a height of 50 or 60 feet in the south Atlantic off the Cape of Good Hope.

Grade A Eggs

When buying, remember that Grade A eggs must be clean, unbroken and normal; well-defined yolks, practically free from defects; clean and firm whites; weight of at least 24 ounces per dozen.

Old Tree

A giant sequoia tree lived to be about 1,335 years old on the west coast of the United States, accord ng to the Encyclopaedia Britannica Part of its trunk is kept in the Nat ural History Museum in South Ken sington London

Senator Parkman, Others, Against Proposition 13

An aroused group of county citizens met this week in San Mateo to formulate plans to combat "Proposition 13" on the November ballot, claiming it would rob this area of its representation in the California State Senate.

Spearheaded by a committee under the chairmanship of L. Herbert Harris, former Burlingame mayor and prominent central county civic figure, the committee went on record as being unanimously opposed to what was termed a vicious attempt by certain Los Angeles pressure groups to take away the voice of rural counties in the upper house of the State legislature.

According to Harris, Proposition 13, the so-called Senate Reapportionment act, would give the heavily populated city areas and particularly metropolitan Los Angeles, an overbalance of power in the senate that would entirely "shut out" the majority of California's 55 counties and provide the means for southern California to have a free hand in all matters of state government.

Urging a "No" vote on Proposition 13, Harris pointed out that the California State Senate is now set up on much the same plan as that of the congress of the United States which provides an equal representation for all states much in the same manner as the state body gives an equal voice to all city and rural areas.

The proposed "reapportionment act" as presented in Proposition 13, Harris said, would place representation in the state senate on a population basis which means that ambitious Los Angeles with its usual "octopus-like" tactics would not only be reaching out to envelope or influence the townships around it, but by reason of its wierd population growth in the last decade, would be in a position to dictate the governmental policy of the entire state.

Counties like our own San Mateo, Harris said, would immediately be denied any definite representation in the state senate if Proposition 13 is not soundly defeated at the polls on November 2.

A partial list of the members of the San Mateo County Citizens Committee against Proposition 13 includes Senator Harry L. Parkman, George A. McQueen, Luther M. Carr, John Forsythe, Norman Cool, Emil Squierlein, Jack Schact, Supervisor Martin Poss and Hugh Wayne.

Care of Goldfish

When goldfish are sick be sure they are not overcrowded, overfed, given improper foods or that sick fish have been mixed with healthy ones. Perhaps the water needs changing or the aquarium needs more light. A pinch of salt, either epsom or table, will benefit all fish.

Rabies

Bureau of animal industry of the department of agriculture has studied the rabies problem thoroughly. It favors a control program that includes vaccination of dogs, along with the other standard control measures, such as prompt segregation of any dog suspected of being rabid, prompt examination of the brain of any suspect dog, quarantines and impounding of all strays.

Pillow Cases

The prevalent idea that pillows will last a lifetime, or can even be handed down through generations, is erroneous. Feathers are fragile, and waste away after long usage. The pillow loses its buoyant resilience, and is no longer effective as a rest for the neck muscles.

Non-flammable Fabric

A plastic-coated upholstery fabric that will char on contact with a flame but will not support combustion is expected to find wide usage in boats, office furniture and restaurant seats.

Selfish Ants

Nearly all ant instincts, including those that might pass for love, self-sacrifice and bravery, are believed to be based on hunger.

Rita's Costume

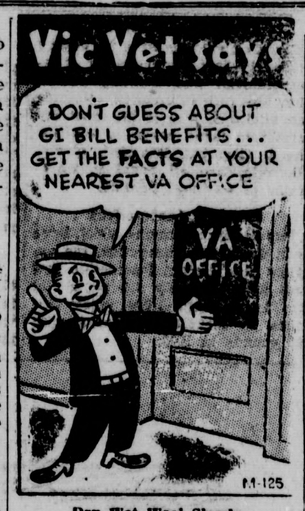

Ann Bucher, recently elected to reign as Queen of the Portola Festival, was crowned in the ornate Spanish costume worn by Rita Hayworth in her latest picture "The Loves of Carmen." Columbia Studios made a loan of the costume which was used in all of the official functions of the Portola.

New S. F. Tunnel

The San Francisco Board of Supervisors has approved an ordinance appropriating $600,000 to purchase rights-of-way for the proposed vehicular tunnel through Russian Hill from Mason to Larken streets. A $5,000,000 bond issue was approved by voters in 1947 for the project which will speed traffic to and from the financial district.

Scrap Iron Drive

The Department of Commerce, through its Office of Industry Cooperation, is making a vigorous effort to obtain much needed domestic industrial scrap. The appeal for cooperation went to all California industries.

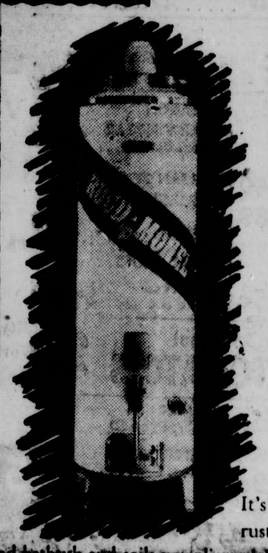

Dry Wet Wool Slowly

Wet, muddy, wool clothes can be ruined further if placed near a stove or radiator, and for this reason should be dried slowly at room temperature, and brushed before being worn again.

He chooses sweet hearts by the thousands...

Good celery has to have a heart that's *sweet* and tender. So that's one of the things our buyer looks for when he chooses celery. He buys celery by the thousands, is an expert at picking out stalks which will eat best.

You put this specialist to work for you when you buy celery at Safeway. Celery you find here has been selected in the growing area by our own buyer. He actually visits the fields to check quality. Only those with crisp, tender, sturdy stalks, free from defects, get his o.k.

And celery is just one example. All our vegetables and fruits are chosen with the same personal care. We go where they grow, control quality from farm to you.

Enjoy the better eating this personal selection assures. Let Safeway supply all your produce needs.

FARM-FRESH PRODUCE
These vegetables and fruits just can't help being good. Selected by our expert buyers right in the growing areas...rushed to Safeway, they don't have time to lose their fresh goodness.

Amputees in U. S.

Between 17,000 and 18,000 members of the armed forces lost arms or legs in the recent war, about 15,000 of them in the army. Serious as these figures are in terms of suffering and lifetime handicaps, the total number is not large in comparison to the amputations steadily occurring in civilian life. Estimates place these at roughly 30,000 per year. There are several hundred thousand amputees in the country's population. Many of these were industrial casualties that were incurred in war industry

Increased Demand For Snuff

The consumption of snuff has been substantially unchanged for about 30 years. Some 34 million pounds were produced in 1916, 41 million pounds in 1929 and 36 million pounds in 1933. The production peak was 43,800,000 pounds in 1945. The use of snuff and chewing tobacco increased during World War II. This was believed largely due to restrictions on smoking in some war plants. The sustained demand for snuff is attributed to its traditional use by certain low income groups and by persons of some nationalities.

1947 Potato Crop

The 1947 production of potatoes—more than 44 million bushels—was nearly two million greater than in 1946. In both years the crops were nearly a third larger than the 1944 and 1945 corps of less than and more than 33 million bushels. These four large crops compare with an average of about 20 million bushels for the 10 years from 1936 to 1945.

Spotted Shower Curtain

To remove mildew from a shower curtain, wash it in hot suds, then moisten the spots with lemon juice and salt, and hang the curtain in the sun to dry.

Douglas Fir

At the age of 80 years, the average fully-stocked acre of Douglas fir will cruise about 35,000 board feet of logs, as they are measured in the woods. The mills would actually manufacture 50,000 feet or so of lumber from these logs. In addition there are 80 or 90 cords of wood of sizes suitable for pulp or fuel.

When Buying Eggs

Because grade B eggs offer the same food value yet may cost as much as 10 to 12 cents a dozen less than grade A eggs of the same weight, many families find that it pays to buy grade B eggs for general cooking.

Cereals Nutritive

Cereals furnish most of the energy needed in large amounts by growing children and working adults. They also furnish proteins, minerals and vitamins. Iron is the most important mineral found in cereals The B vitamins, thiamine, niacin, riboflavin, are all found in whole grains or enriched cereals.

Freight Locomotives

Due to improvements which have been made in construction, the average road freight locomotive now uses approximately 113 pounds of fuel to perform 1,000 gross ton-miles of service, compared with 140 pounds in 1925.

Canada's Indian Wards

The Canadian government employs 45 medical doctors to watch over the health and welfare of its 136,000 Indian wards scattered over thousands of square miles of Canada's inaccessible back country. There are no roads, no trains and no autos in the territory covered by some of these doctors, who often have to fly as much as 300 miles to reach one emergency patient.

Birthplace of Bobby Burns

One of the most popular attractions in Scotland is a thatched cottage on the outskirts of Ayr in Alloway, birthplace of Robert Burns, the famous Scot poet

New Palestine Plan

Under UN consideration is the U. S. proposal that the General Assembly approve the late Count Bernadotte's settlement plan for Palestine. It recognizes Israel and revises the original plan, transferring Negeb (1) to the Arabs and Galilee (2) to the Jews. Haifa (3) and Lydda (4) would be free port and airport respectively, and the Jerusalem-Bethlehem area (5) would be UN-controlled. The merger of Arab Palestine with Trans-Jordan (6) is also recommended.

Hogs and Rickets

Successful Farming magazine says that it is thought dark-skinned breeds of hogs are more susceptible to rickets than light-skinned breeds. Reason is that the dark skins absorb less ultraviolet light rays from sunshine.

Storing Grain

Grain can be stored almost indefinitely with little deterioration in farm-type bins—those that hold 1,000 to 3,000 bushels—if it is kept dry, cool, clean, and free of insects.

Concord Grape

Our Concord grape was developed from a seed of a wild grape planted in 1843 by Ephraim Bull of Concord, Mass.

Restless Sleeper

The average sleeper, as studied by scientists, has been found to turn at least 20 to 45 times per night. This number is sharply increased in case there has been any mental or emotional disturbance before going to sleep For instance, a young man, whose best girl had gone out with a rival, moved 200 times during sleep, when he normally moved only 72 times.

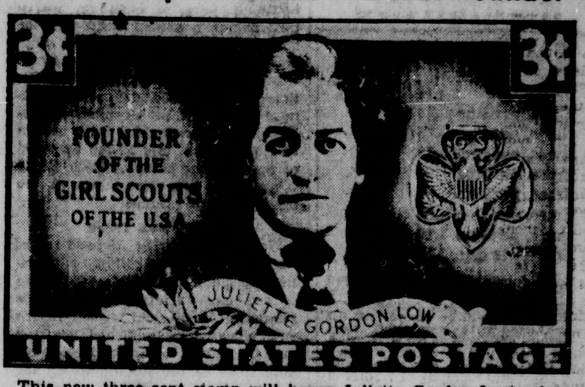

To Speed Reconversion

It's an old story now, but still vitally important. Save all used kitchen fats, put them in tin containers and deliver to your butcher who will give you four cents a pound for fats. Every pound of fat saved speeds reconversion.

Where They Originated

Brussels sprouts, cabbage, broccoli and celery originated in the Scandinavian countries, pineapples in Brazil and the white potato in Argentina.

New Stamp Honors Girl Scout Founder

This new three-cent stamp will honor Juliette Gordon Low, who founded the Girl Scouts of America in 1912. Green in color for the "Girls in Green," the stamp features a portrait of the founder. First-day issue sale will be in Savannah, Ga., Oct. 29.

ustrial Expansion

ew plants and expansion of exg establishments in Northern Central California during ast totaled 342 projects at a of $80,058,000, it was reported he San Francisco Chamber of merce industrial department.

Arizona's Topography

ree distinctive physical areas e up Arizona—lofty plateaus great canyons in the north, high ntain ranges in the central sec- and plains and desert country e south.

Beach Cleanup

There shouldn't be any broken glass, cigaret butts or other annoying refuse in the sands of Ocean Beach any more. The city's new sifting and cleaning machine, which cost $9433, is in action, cleaning the beach from Fleishhacker Zoo to the Clift House. It is estimated a month will be required to go through all the sand.

More Large Farms

There were more large farms in 1945 than in 1940; about 9,000 more with 1,000 or more acres.

Crow Is Gregarious

Crows, except during the nesting season, are gregarious. After the young ones are out of the nest, flocks ranging from half a dozen to more than a thousand may be seen in fall and winter at some favorite feeding, drinking or bathing site.

New Light on Beef Grading

Fluorescent lighting has been found an effective aid in speeding up beef grading, and packers are reported shifting to this type of illumination to assist busy graders whose inspections determine the price of beef.

PIANO FOR SALE
Will sell Spinet piano, long-stringed, direct blow professional instrument at sacrifice. Terms. Write Roger Gibson, 3435 Floradora Street, Fresno.

Make Use of Felt

Use felt from discarded hats for house slippers, a handbag, warm mittens for a school child. Grease spots come out of felt with dry-cleaning solvent—or the felt may be washed in mild, warm soapsuds, though this takes out some stiffness. Felt may be stretched slightly, shrunk, or molded with steam and a hot iron, and sewed by hand or machine the same as cloth. Since there is no raveling, there is no need to finish seams.

Companion Trees

Since apple trees depend upon "companion" or pollinator varities for good pollination, the trees of any one variety should not be planted in large solid blocks. Where such blocks are established, grafting and the use of bouquets from suitable trees at blossoming time, are suggested as temporary remedial measures

Commercial Sponges

Many species of sponges cannot be used commercially because of glasslike needles embedded in their tissues. The true commercial sponges, when alive, are of varied somber colors from yellowish gray to coal black. Most of the work of detaching the dark, liverlike flesh from the valued skeletal network is done by giving it a few days to decompose on lonely island shores near the sponge-harvesting beds.

Making Soap

Mild soap may be made from only three ingredients, fat, water and lye. If hard fat, such as beef or mutton, is used, the proportion is six pounds of fat, six cups of water, and one can of lye. If a soft fat such as lard or bacon fat is used, use the same amounts of fat and lye, but reduce the water to four cups. The soap may be made stronger by adding one and one-half tablespoons of borax and one-half cup of ammonia.

Potatoes Not Fattening

Potatoes are not fattening. It's the gravy, butter or other fat that "piles up" calories. One medium-sized potato has about 100 calories —no more than an apple or banana

Wooden Rail Ties Best

In the last 50 years, more than 2,500 patents have been issued for railroad ties made of substances other than wood, but not one has been able to effectively or economically replace timber, according to Chicago and North Western railway forestry agents.

Snoqualmie Falls

Snoqualmie Falls, in the state of Washington, has a drop of 270 feet. It is most spectacular in winter or early spring, when heavy rains turn the falls into a thundering monster.

Youthful 'Santas' Making Cloth Toys For Tiny Shut-Ins

Trying to make the coming Yuletide holidays happier for more unfortunate children, the Girl Scouts of Troop 14 have started making cloth animals to be distributed to tiny shut-ins at Christmas time. Among the other projects of the troop, begun under the new leadership of Mrs. H. Seiler, is the selling of Christmas cards. The group has also voted to do something for the Indian children.

The troop recently elected officers. Those chosen to lead them were Molly Blundell, chairman; "Trudy" Runge, vice chairman; Valeria Levi, secretary; Margaret Runge, treasurer; Carol Clarke, Juliette Low, chairman; Joan Enright and Marguerite Constantine, garden committee.

Airplane Propellors

The all-metal propellor now in use on airplanes is twice as large and delivers more than twice the thrust of its two-decade-old predecessor which was built of laminated wood.

Vehicle Production

United States factories turned out a total of 461,335 motor vehicles during August 1948 to make this month the third highest production month since the war, reports the National Automobile Club. Of this total, 348,804 were passenger cars, 111,760 were motor trucks, and 771 motor coaches.

Save the Flakiness

There's a trick to re-rolling or storing pastry that can mean the diffrence between flaky pastry and that which is not. Instead of wadding the pastry scraps up into a ball before storing or rolling, stack them neatly, piece on piece. In this way the flaky structure is preserved rather than destroyed.

Phenothiazine Poisoning

Phenothiazine poisoning is apt to occur when large doses of this worm medicine are given. Because some owners have no conception of the proper amount to give animals, there have been many cases of severe illness due to overdosing. Except in extreme cases, phenothiazine-poisoned swine recover with a minimum of treatment, but they must be kept out of the sun. If left exposed to hot sunshine, most of them will die.

Strange Japanese Custom

The Japanese have an unusual custom — getting friends to autograph favorite hymns. Each book becomes a veritable collection of autographs — pastors, teachers, visiting speakers, relatives and friends. Thus, when a Japanese opens his hymn book there is added significance and reverence as he is reminded of a beloved friend whose name is written across the hymn he is singing. The book becomes a symbol of deep fellowship as well as presenting an interesting array of signatures.

Revamp Draperies

If figured draperies are worn and faded they can be touched up with wax crayons, home industries specialists of the Extension service say. The material should be washed and pressed and then retouched with crayons before pressing again with a hot iron

Frozen Precooked Foods

A recent development is t freezing of precooked foods. serve these foods it is necessary by to heat them in a controlled on for a predetermined length time. Some processors put co plete meals on disposable plates that the meal can be prepared simply heating the prepared pla Frozen precooked foods have be most widely accepted by railroa air lines, and steamship lin Many apartment-house dwelle with none too adequate kitchen cilities and little time to use th that they have, find such foo convenient.
